As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a white box. Please push the button, wait for a response and you will be buzzed into the building. We may ask you to look toward the camera or identify yourself by speaking into the white box. Once you enter the building, please wait in the lobby and someone will assist you. Please push the door once you hear the buzz noise.

Visitors to the Schools – to maintain a safe place for our children to work and learn, certain limits must be set for visits by parents and other agencies. For these reasons, the following rules apply to ALL visitors to the school:

Access to the elementary building will be through the **main entrance ONLY beginning at 7:35 AM. ALL VISITORS ARE REQUIRED TO SIGN IN AT THE MAIN OFFICE IMMEDIATELY UPON ENTERING THE BUILDING.** Also, as parents arrive in the morning with children, please remain in the lobby area if you need to sign your child in and/ or if you need to speak to someone in the office.

Visitors attending school functions that are open to the public such as parent teacher organization (PTO) meetings or public gatherings are not required to register.

Any consumables (food, beverages, etc.) brought in by visitors are subject to search and / or inspection. *Please note these district rules are approved by the Horseheads Board of Education. These safety procedures need your support. If you have any questions regarding these procedures, please call the office. Thank you in advance for your help and support with keeping safety a priority*

Any medication should be brought in the original container to the health office by an adult where it will be stored and dispensed. Please contact Mrs. Strong with further questions, please call the office at 795-2580.

APPR of Teacher and Principals -The District is required to implement Annual Professional Performance Reviews (APPR) of teachers and principals. The outcome of the APPR is that each teacher and principal will receive an Overall Composite Rating based upon Observation and Student Performance scores. The four possible Overall Composite Ratings are Highly Effective, Effective, Developing and Ineffective (HEDI). You may request the Overall Composite Rating for the teachers and principals in the school building to which your child is assigned for the current school year by contacting the building principal of your child's school. Further, if you require additional explanation of the ratings for the teachers and principals, you may contact Tony Gill, Assistant Superintendent, at 607-739-5601, x4263. Please note that this information may be released only to parents or legal guardians. The District will verify that any request received is a bona fide request submitted by a parent or legal guardian.

Dear Parents and Caregivers:

Happy June! We all made it and we have so much to be grateful for in regards to the partnerships that have been strengthened throughout this school year. We have experienced situations we have never known and we DID IT TOGETHER - successfully!

A smile goes a long way! There is a contagious joy that erupts when

someone smiles at you. I love how our students greet one another with 'Have a nice day! And a smile!' I do believe we have come away with appreciating even the smallest act of kindness, an honest compliment, a listening ear and any caring gesture. All of these acts have the potential to turn a life around and for many it certainly did!

I hope this summer affords many more opportunities or our students to socialize and celebrate special family events. I look forward to seeing you all in the fall and continue to work together to make Center Street Elementary a GREAT PLACE TO LEARN.

Enjoy your summer!

Sincerely,

Patti Sotero, Principal

Caps & Gown K Picture Day!

Our Kindergartners looked so adorable getting ready to get their cap and gown pictures. "Center Street students have the biggest smiles!", exclaimed Principal Sotero.

Mix it up Day!

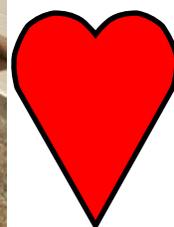

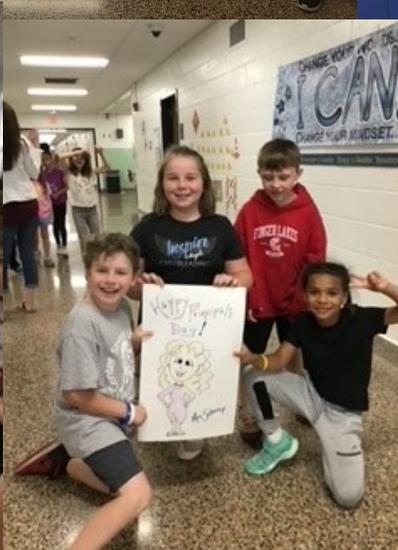

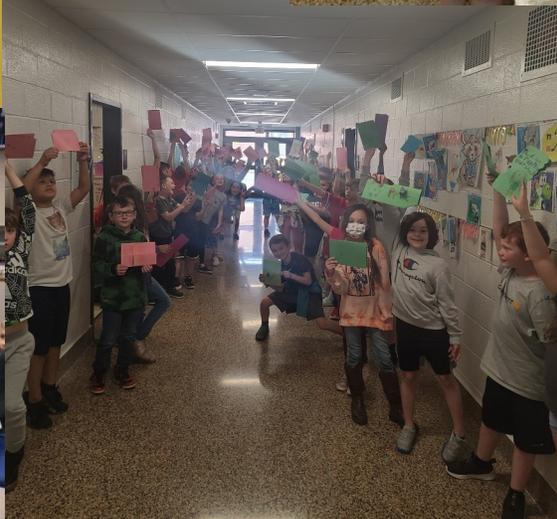

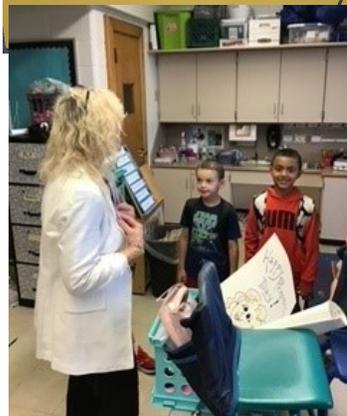

Memories from Principal's Day created by our CS Students.

Students and staff created special cards thanking Mrs. Sotero for being the principal of CS. You could hear their singing in the gym today - "Happy Principal's Day to You..." Classrooms created acrostic poems with special words attached to each letter in the principal's name. Mrs. Sotero shared it will be a day she will never forget!

K Orientation

We had a wonderful day today meeting our new students and their families. Our students were able to meet together with the kindergarten teaching team, create a project together and get to know one another. Our parents and family members were able to meet a variety of staff members and learn about all the great things our school has to offer. At the end of our event, our new K students and their families were able to learn more about bus safety and enjoy a short ride together. Every student received a new K Center Street bag filled with resources to help further prepare them for coming to school in the fall.

We can't wait to see you back in the fall!

CRAZY HAT DAY

Crazy Hat Day – our CS Student Council lead another great outreach for individuals going through cancer. Heavenly Hats is a wonderful foundation helping to raise money for cancer patients who lose their hair. On Friday, May 5th – we wore some crazy hats and donated 25 cents. We raised over \$100.00. Way to go CS Colts!

The CS Staff

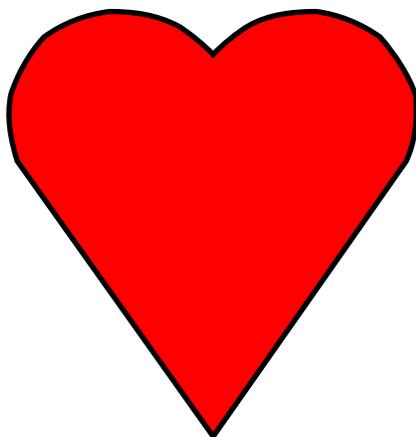

would like to

thank our CS PTO

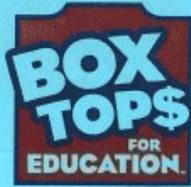

for all the wonderful daily treats

and messages you provided.

We appreciate you all!

Dear Families,

During this challenging time, our teachers and students need more help than ever. No matter what school looks like, Box Tops for Education is a fast and easy way for you to help out from home.

The Box Tops program has been around for over 20 years, and it really works. In fact, Box Tops for Education has helped give almost a billion dollars to schools since 1996. In 2019, the program evolved to become digital so that you can earn for your school with just the touch of a button.

HERE'S HOW IT WORKS: Buy participating products and use the Box Tops mobile app to scan your store receipt. The app identifies eligible products and automatically adds Box Tops to your school's earnings online. Even if you're shopping online or doing grocery pickup, you can still submit your e-receipts and earn Box Tops. Twice a year, our school gets a check!

Your earnings may seem small, but they really do add up. The more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and help give more kids the opportunity to dream. **Little by little, we can help make a big difference.**

Honoring our SRO - Officer McGrain

SRO Day at CS!

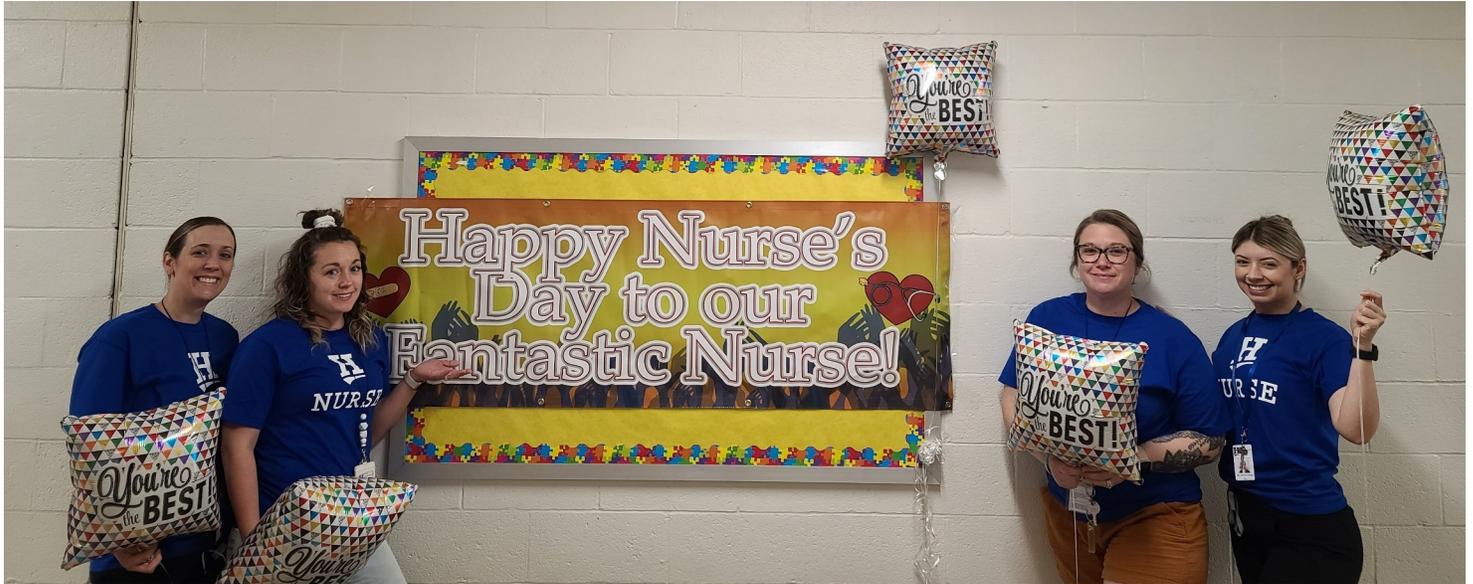

Our Third Graders in Mrs. Finnerty and Mrs. French's class wrote a school-wide bill to create a day we set aside to stop and thank Officer Scott McGrain, our SRO, for helping to keep us safe each and every day. Officer McGrain loves being with students and our students and staff love him too! Students throughout the building created cards, banners, shared flowers and small tokens of appreciation for all that he does for us! We crowned him for the day and there were lots of hugs! It was nice to have Jessie McGrain, Officer McGrain's wife join us for the festivities.

Happy Nurse's Day!

Fun new memories happening all the time at CS!

Happy Nurse's Day – We love to celebrate and stop to say thank you to our wonderful nurses at CS. Thank you to Mrs. Strong, Mrs. Starkweather, Mrs. Tremblay and Ms. Dorsey-Dodge. We are so thrilled to have a group of dedicated and highly skilled nurses assisting our students and staff each and every day!

Good Apple Awards

The Good Apple Award is a tool to promote pride, self-esteem and positive character development. All faculty and staff nominate students exhibiting good character. At the end of each month, the principal will announce the recipients names, and will present the students with their award during their scheduled lunch time. A bulletin board is in the Main Lobby to display each month's recipients. The following students earned a good apple award for showing exceptional character during this month.

MEMORIAL DAY

Memorial Day is observed on Monday, May 29th. It should not be looked at as just another day off from school. Memorial Day is a good time to reflect on the sacrifices and services our country's soldiers and veterans and the U. S. Military men and women.

As American citizens, Memorial Day should be used as an opportunity for us to express the special place these men and women have in our hearts.

Think about honoring and remembering our service men and women by putting up American flags in front of your houses or by attending a special Memorial Day event.

Don't forget there is NO school on Friday, May 26th!

For Pre K - 8—there is regular school hours on June 1st!

Parents/Guardians: Please submit your Bus Requests for 2023-24 by June 23

Horseheads Central School District Bus Request Process for 2023-24

There are three ways to submit your busing request information. If you have more than one child in the district, submit a form for each child by June 23. If you do not need busing next year, please still submit a form indicating that you do not require busing for your child.

1. **If you have a Parent Portal account and you have downloaded the Schooltool app** for your mobile device, tap the app to access your Parent Portal account. Once you've logged in, your base screen should say FORMS at the top. Tap FORMS and use the mobile app instructions [here](#). If you do not see FORMS at the top, you may be using the web version. Please see the instructions in #2 below or download the Schooltool app wherever you access apps for your mobile device.
2. **If you have a Parent Portal account and you use the web version to access it** – either from a desktop or on your mobile device – go to the site using the Parent Portal Login menu item on our website or this link: (<https://schooltool.horseheadsdistrict.com/sthhWeb/default.aspx>). Use the instructions [here](#).

Please note: If you are on a mobile device, once you log in, tap Menu at the top right and select Full Site. You will be asked to log in again. Instructions are [here](#).

Using your Parent Portal account will allow you to submit your information without having to enter your child's ID number. It will be submitted automatically through your Parent Portal account.

3. **If you do not use the Parent Portal**, submit your busing information via the form at the link or QR code below. Please note that if you use this form, you will need your child's ID number. The ID number can be found in your Parent Portal account or your PaySchools account (if you have these accounts), or on your child's report card. If you still do not have your student's ID number, contact the school office. Please complete the form whether or not you have the ID number.

Here is the link: <https://forms.office.com/r/xumxPcMuxv>. You can also use this QR code to access the form:
