Request for Student Athlete to Travel with Parent or Guardian To an Event

Student athletes must travel to athletic contests in vehicles provided by the District. In rare circumstances, and with <u>prior</u> approval by the Athletic Director, a student athlete may be driven to a contest by a parent or guardian.

At the conclusion of an athletic event, it is expected that the student athlete will return to school with the team in a vehicle provided by the District. In rare circumstances, an athlete may leave with his/her parent or guardian only if the authorization below has been executed and approved **24 hours prior to** the athletic event by the Athletic Director.

In any approved circumstance when a parent drives a student athlete to or from a contest, the parent's insurance is primary and the District's insurance coverage is secondary.
