## JANUARY 2019

*At Big Flats Elementary,  
we will SOAR together  
as we explore our "wonders"  
in a fun and engaging  
community, where we will  
inspire each other to achieve  
anything!*

*Dear Parents and Guardians,*

Happy New Year! After our extended winter break, it is wonderful to have the staff and students back to school and following our daily routines. As we start the new year, we find ourselves bringing the second marking period to a close. We are also in the process of completing our winter AIMSWeb screens. By now, everyone should be aware of the added half-day dismissal on January 28<sup>th</sup> 2019. \*K-4 students will be dismissed at 11:00am, Pre-K at 10:30am, so that teachers may complete their parent/teacher conferences that were cancelled due to the snow day in November.

As we move through the month of January, we will soon be seeing some of the first stages of the construction project in our school. Our ceiling tiles will be removed and the technology infrastructure updates will begin. We do not foresee any planned disruptions during our school day as the work will begin immediately after the students are dismissed each day. With this pending construction, we will see the impact when we are having some of our upcoming PTO events, and we are unable to host any evening events in our school. Therefore, our Winter Festival this year will be held on Saturday, March 2, 2019 from 1:00-3:00pm in our cafeteria and gymnasium. The PTO is very much hoping that our families will still support and attend this wonderful annual event as it is one of our major fundraising events. Our classrooms will once again create themed baskets to be raffled off. Please be looking for a note from your child's classroom teacher advising you of the chosen theme for their classroom. Any donations that you can provide would be greatly appreciated. Also, if you or a family member or close friend have a business and they would be willing to donate an item to be raffled off at the Winter Festival, please contact the main office and we will contact our PTO facilitator. If anyone has any questions or concerns, please do not hesitate to contact me.

*Sincerely,*

*Elizabeth M. Scaptura*

## FRIENDLY REMINDERS:

### • **Delayed Start Procedures**

*As we enter the winter months, please be advised that the Horseheads Central School District uses a delayed start procedure in addition to school closings. The delay opens schools **two hours\*** later than normal start time. School ends at the regular time on delayed start days. Morning buses will arrive at the bus stops two hours later; staff will arrive two hours later; and students being dropped off at school in the morning should arrive two hours later. **Breakfast will not be served on delayed start days.** The announcements can be found on our Facebook page, on our District website [www.horseheadsdistrict.com](http://www.horseheadsdistrict.com), or on the local media stations. Radio and television stations that will be announcing the delayed starts and/or school closings are listed on page 5 of the District Calendar. **\*Pre-K classes will begin at 10:30am when there is a delayed start.***

### • **Recess**

*Students continue to go outside for recess during winter months. Please be sure that your child has a warm coat, hat, gloves/mittens, and boots so they can stay warm as they play. \*Please remember that the nurse cannot provide boots for any student.*

### • **Changes in Going Home Routine/Bus Notes**

*Please remember to write a 'blue note' with your child's change in dismissal plans if he/she will not be following their normal routine. Blue notes should also be written to explain your child's tardiness, absence, or plan to leave early. This is extremely important for the safety of our students.*

## School and Emergency Closings

School closings due to inclement weather will be announced via various media outlets such as WNKI, WPGI, Magic FM, and WELM radio stations, and WENY, WETM, and Time Warner

Cable News on TV. In the event of an emergency during the school day, all students will be taken by bus to the address previously identified by parents on the "Emergency Go Home" form that was completed at the beginning of the school year. As a reminder, this location **MUST** be on one of the Big Flats Elementary bus routes.

### **Snow Days Impact our Schedule**

When a snow day occurs and all schools in the District are closed, it changes our six-day schedule. The next day that school is in session is the cycle day that the snow day would have been.

## Valuable Items in School

Each year over Winter Recess, many of our students will receive gifts that they will treasure. To avoid the possibility of damage or loss of any valuable items, **including electronics**, we encourage students to leave those items **at home**. Please encourage your child to follow our suggestion so that we can avoid any unfortunate situations where items disappear or get broken. *Thank you for your support!*

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

\*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See [schoolmessenger.com/txt](http://schoolmessenger.com/txt) for more info.

## THIS ISSUE WE HIGHLIGHT DIGITAL CITIZENSHIP IN ONE OF OUR SCHOOL DISTRICTS:

# ODESSA-MONTOUR CENTRAL SCHOOL DISTRICT

Digital Citizens of the month on display at O-M

To share what is happening in your district send an email to [dc@gstbooces.org](mailto:dc@gstbooces.org)

The Odessa-Montour School District has been promoting Digital Citizenship using curriculum and lesson planning materials from Common Sense Education (<http://go.gstric.org/205-common>).

The materials are distributed by the instructional leaders in each building and teachers are encouraged to incorporate the lessons and activities into their weekly planning.

Teachers nominate students each month in grades PreK-12 to become the Digital Citizen for their grade level. The selected students then meet with the schools Computer Network Specialists to choose an item from a collection of technology “swag”. Each Digital Citizen then has their picture displayed in monthly newsletters and on digital signage panels in the main hallway for the faculty, staff, students, parents, and community to see their accomplishment.

The district recently installed Dell panels to use as digital signage throughout their buildings. The signage is used to display lunch menus, sports schedules, announcements, and resources from GSTRIC Digital Citizenship Resource Center.

We would like to thank Jim Nolan, Director of Instructional Technology at Odessa-Montour, for sharing this information about what is happening in the district.

## Social Media and Your Mood

Social media has been described as more addictive than cigarettes or alcohol ... but how does it effect your mood?

While using social networks helps many people feel more connected to peers, others experience intense envy and may have greater struggles with depression, low self-worth and other mental health challenges.

In a survey of young adults on the impact of social media on issues such as depression, self-identity and body image, YouTube was found to have the most positive impact, while Instagram, Snapchat, Facebook and Twitter demonstrated negative effects overall on young people's mental health.

## How can you be more mindful with social media?

By using a few simple strategies, you may be able to reduce the negative emotions and compulsive behaviors associated with social media use.

Limit the time you spend on social media each day. Research shows that people who spend more than two hours per day on social media have significantly lower self-esteem than those who don't.

If you notice that you're struggling a lot with envy, negative emotions or comparing yourself to others, counseling can help! Speak to a counselor at school or talk to a trusted teacher.

## FACTITIOUS 2018

Can you tell if a new article is real or is fake? That is the idea behind the **Factitious** game. The game shows you an article and then you swipe it to the right if you think it is real, or swipe it to the left if you think it is fake. The game then tells you if you were correct and awards or takes away points based on your answer.

Give it a try. How many right answers can you get? How many rounds can you last?
