Welcome to Third Grade!

Dear Third Graders and parents,

Welcome to third grade! We are looking forward to getting to know each of you in September. Over the summer it would be very beneficial to continue practicing your addition and subtraction facts (computer games count☺), and to read frequently. Writing letters to friends and family, or keeping a journal about what you do each week is a fun way to sneak practice in too. The combination of the above will keep your mind fresh and ready to go when school begins.

There are certain supplies that you will need for third grade. They are listed on the back of this letter. Please purchase these tools for success. If you lose this list, please contact the office during the summer so that your child is prepared.

Have a wonderful summer!

Sincerely,

Mrs. Swartwood, Mrs. Springer and Mrs. Watson
