Dear Parents and Students:

This student/parent handbook, published by the Horseheads Intermediate School, is intended to make each school family aware of the expectations which are to be followed in the building and on the playground. The goal of this handbook is to help each student enjoy his educational experience in a safe, respectful, and caring environment as discussed in the Horseheads Central School District Code of Conduct.

Please read the handbook together and discuss the expectations. When you have finished, sign and return the last page at the end of the booklet.

Thank you,

HOMEWORK

Homework helps students to gain speed and confidence in practicing academic skills. All students will be required to record their assignments and due dates in their assignment pads daily. Parents should review these at the end of each school day. In order to do their best, parents must help students learn good work habits at home. Students need a quiet, distraction free place to work at home, as well as necessary supplies to complete assignments. Because of the value and importance of homework as a part of our educational program, teachers may ask that parents sign assignments indicating that you have checked to make sure it's completed.

If your child consistently struggles with homework, please contact your child's teacher.

*Students are responsible for missed work anytime they are out of the classroom. (i.e. lessons, band, chorus, orchestra, advanced art, clubs, AIS, resource room, absences etc.)

Parent Portal is available to review your child's progress and absences.

FAMILY VACATIONS

Absences due to vacation trips are not excused absences. Before making vacation plans, please consult the school calendar. Parents are strongly discouraged from taking their children out of school for family vacations because valuable classroom instructional time can never be replaced by make-up assignments. If parents decide to take their child out of school for vacations, please notify your child's teacher in advance.

Because such extended absences are not excused, students are expected to request their work upon return. An appropriate time frame will be given to complete the assignments. Students should be encouraged by parents to read and write in a journal during their absence from school.

ASSEMBLY AND CONCERT MANNERS

1. All classes will enter the assembly or concert quietly and in an orderly manner. Students should be ready to listen.
2. Students will remain quiet and use good listening habits during the assembly or concert.
3. Students will stay seated unless there is an emergency.

GENERAL INFORMATION

1. **School Hours:** 8:25 AM to 2:25 PM.
Students may begin to arrive at 7:45 AM. They will be directed to the cafeteria from 7:45 AM – 8:00 AM. The tardy bell rings at 8:25 AM. Students should be picked up promptly at 2:25 PM.

In an emergency situation, you may call the school office prior to 1:00 PM if you need to arrange to have your child held from the bus or be dismissed early. Changes after this time will be difficult to accommodate.

Parents picking up students at dismissal should park in the upper parking lot (near the basketball hoops) at the front of the building. They should use the sidewalk down the side of the building next to the playground and enter the side doors. Students will need to be signed out from the art rooms. Pick up time is 2:20 PM – 2:30 PM.

5. **Health Office Dismissal:** If a child is ill and must be sent home, the student will remain in the health office. Parents must sign in and out of the main office. The nurse or office staff will release the student directly to the parent/ guardian.
