Grade 2

June 21, 2018

Hi everyone!

In just a few short months you are going to be a second grader! We cannot wait to be your teachers! Until you come back, we hope you take a lot of time to play outside, read great books, and practice your addition and subtraction facts.

We think that second graders are some of the busiest people in the school! We learn to do math with really big numbers. We learn to read long books with chapters, and we learn to write much longer stories and reports. We will show you some amazing websites and do some awesome activities in science. It will be a busy year!

Of course you will need some supplies to do all of these things. Please watch for back-to-school sales in August so you can spend the least amount of money possible. While you're shopping, think about your homework spot. We will give you homework each night. Please get some supplies to keep at home so you will have plenty of pencils and crayons to use.

Second grade supplies:

- To share:
- 1 dozen yellow Ticonderoga pencils (or Dixon)
 - 10-12 glue sticks-Please buy the SMALL ones.
 - 1 package cap erasers

- For yourself:
- 3 boxes of crayons (Please buy 16 or 24 packs. There is no need for a bigger pack.)
 - 1 pair of scissors
 - 2 paper folders, any color, to hold papers in your desk (Students in Mrs. Alexander's class will need 4 paper folders.)
 - 2 low-odor, dry erase markers, BLACK ONLY
 - 1 plastic shoe box to put inside your desk to hold supplies (Boxes that fit best are no wider than 6 inches and not taller than 4 inches. No pencil boxes, please.)
 - 1 gallon-sized baggie for your headphones (and a pair of headphones, if you don't have any or they are broken)
 - 2 yellow highlighters
 - 1 pencil sharpener, for students in Mrs. Alexander's class only
 - 1 one-subject spiral-bound notebook, for students in Mrs. Cady's and Mrs. Bower's classes
 - 1 box/package of the following based on your child's teacher (Mrs. Cady's class: baby wipes, Mrs. Bower's class: 1 box of Kleenex, Mrs. Alexander's class: Ziploc gallon-size bags)

Have a wonderful summer!

Welcome to Third Grade!

June 21, 2018

Dear Parents,

We would like to extend a warm welcome to third grade. We look forward to working together with you so that your child has a successful year.

Third grade is a year of transition between the primary and intermediate grades. Therefore, third graders can expect an increase in independent work and responsibility. Together, we will try to make the transition as smooth as possible. Your child will have approximately 30 minutes of homework each evening. This is in addition to the nightly reading requirement for the whole school. Homework helps to reinforce concepts taught in class, but also builds responsibility, organizational skills and work ethic. The students will have a homework folder that will come home with them each night. It will have an assignment sheet with homework for the week that must be signed each night by a parent when the work is complete. Treating homework as a positive experience and establishing a routine helps students adapt to the new responsibility with greater ease.

There is **much** to look forward to in third grade. Your child can expect to learn about Our Community, Communities & Cultures around the World, multiplication, division, fractions, and structures of plants and animals to name just a few. Your child will participate in many hands on projects such as our biography project and Wax Museum. Your child will make use of the mobile laptops and iPads in the classroom for various projects throughout the year.

Have a safe and happy summer, keep reading and practicing your facts to be ready for learning in the fall!

**Sincerely,
Third Grade Teachers ☺**
