

## Morning Lap Swim Rules/Information

1. Pool is open Monday – Friday from 5:30am-7:30am (summer hours are 6:00am-8:00am).
2. Pool is only open while school is in session not during holiday breaks.
3. **ALL SWIMMERS MUST BE OFF SCHOOL PROPERTY BY NO LATER THAN 7:40AM!!!** Failure to do so will cause us to ask you not to use the facility anymore. We do enforce this policy and ask you to please follow it.
4. All swimmers must fill out a personal information sheet that we will file. We ask you to do this simply because we need to know who is in our school. We have had problems in the past so we appreciate your help. This sheet is has that information below. Print it, fill it out, and hand it to the guard. The following times you use the pool all you have to do is sign in.
5. There is no charge.
6. We swim in straight lines, opposed to circle swimming, so we can fit more people in the pool.
