

## **Request for Student Athlete to Travel with Parent or Guardian From an Event**

Student athletes must travel to athletic contests in vehicles provided by the District. In rare circumstances, and with prior approval by the Athletic Director, a student athlete may be driven to a contest by a parent or guardian.

At the conclusion of an athletic event, it is expected that the student athlete will return to school with the team in a vehicle provided by the District. In rare circumstances, an athlete may leave with his/her parent or guardian only if the authorization below, has been executed and approved **24 hours prior to** the athletic event by the Athletic Director.

In any approved circumstance when a parent drives a student athlete to or from a contest, the parent's insurance is primary and the District's insurance coverage is secondary.
