

2nd GRADE

June 26, 2024

Hi everyone!

In just a few short months you are going to be a second grader! We cannot wait to be your teachers! Until you come back, we hope you take a lot of time to play outside, read great books, and practice your addition and subtraction facts.

We think that second graders are some of the busiest people in the school! We learn to do math with really big numbers. We learn to read long books with chapters, and we learn to write much longer stories and reports. We will show you some amazing websites and do some awesome activities in science. It will be a busy year!

Of course, you will need some supplies to do all of these things. Please watch for back-to-school sales in August so you can spend the least amount of money possible. While you're shopping, think about your homework spot. We will give you homework each night. Please get some supplies to keep at home so you will have plenty of pencils and crayons to use.

Second grade supplies:

The items listed below were included in the PTO supply box. If you did not purchase the PTO supply box these items will need to be brought to school (kits are available for purchase until July 1st).
