Signing into Canvas Parent Account through the App

The Horseheads Central School District has adopted Canvas as our Learning Management System (LMS). Canvas allows teachers to provide a personalized learning experience through instructional support, class calendars, messages, notifications, assignments, collaborative activities, and course resources in one platform.

Parents/guardians can set up parent accounts to view assignments, due dates, and other information. However, **if you have a child in grades PK-6, the best way to support your student at home is to have your student long in to Canvas using their student email address and password.**
1. **Download the Canvas Parent App**
   Available in the App Store or Google Play Store
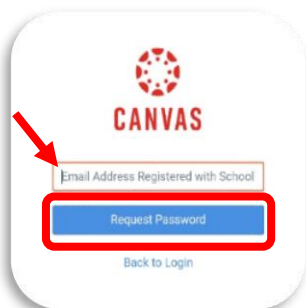

2. **Open the app and click: "Find School"**

3. **Type "horseheads" and choose: "Horseheads Parents"**

4. **To initially set your password, click "Forgot Password?" link**
   (This will ONLY need to be done the first time you login)

5. **Enter the email address you have registered in SchoolTool and click "Request Password"**

6. **Go to your email and click "Click here to set a new password"**

7. **Type and confirm your password and click Update Password**

**After you set your password, you will be prompted to login.
You will then be brought to your Dashboard in the Canvas Parent App**
