Dear Parents and Guardians,

It’s hard to believe that November is already here, and today marks the end of the first marking period! By now, you should have received an email from your child(ren)’s teacher regarding Parent/Teacher Conferences. Our Conferences are scheduled for the afternoons of Friday, November 15th, Monday, November 18th and Friday, November 22nd, 2024. **Students in Kindergarten through 4th grade will be dismissed at 10:30 AM, and Pre-K will be dismissed at 11:00 AM.** If you do not have a scheduled time or need to confirm your appointment, please contact your child’s teacher as soon as possible.

This week, we conducted our first of four state-mandated lockdown drills for the school year. Our students, faculty, and staff did an amazing job participating in this important drill. While it’s challenging to think about the need for these precautions, I want to commend our teachers and staff for their dedication to creating safe, nurturing environments during these practices. As parents and guardians, please consider reminding your children of the importance of staying calm, quiet, and following their teacher’s instructions during these drills. Also, please reiterate to them that school is a safe place for them to be.

We are eager to celebrate with the veterans and their families who will be joining us for our annual Veterans Day Celebration on Friday, November 8th, 2024. This special event allows us to honor and express our gratitude for their service and sacrifices, as well as to recognize the contributions of our current servicemen and women. Due to construction we need to change what we have previously done in past years. We appreciate your flexibility and understanding. We look forward to celebrating with you!

Lastly, please mark your calendars for an early dismissal on Wednesday, November 27th. **Students in Kindergarten through 4th grade will be dismissed at 11:05 AM, and Pre-K will be dismissed at 11:30 AM on this day.** Following the early dismissal, we will enjoy a Thanksgiving Break on Thursday, November 28th and Friday, November 29th. We hope you have a wonderful Thanksgiving holiday with your family and friends!

Sincerely,

Elizabeth M. Scaptura

FRIENDLY REMINDERS:

- **Changes in Going Home Routine/Bus Notes**

Please remember to write a 'blue note' with your child's change in dismissal plans if he/she will not be following their normal routine. Blue notes should also be written to explain your child's tardiness, absence, or plan to leave early. This is extremely important for the safety of our students.

- **Half Days for Elementary Schools**

There will be no lunch and no Kid's World provided on half days at elementary schools. On November 15th, 18th and 22nd dismissal will be at 10:30am for K-4 and 11:00am for Pre-K. On November 27th dismissal will be at 11:05am for K-4 and 11:30am for Pre-K. Please send a blue note on these days with dismissal plans for your student if he/she usually attends Kid's World.

- **Please Always Park in the Parking Lot**

When visiting the school, either with a late student/early pick up, dropping something off, attending a meeting, etc., please always park in the parking lot and not the bus lane. All visitors must report to the office, and the office will further assist you.

- **Please Write Names on Lunch Boxes!**

Lunch boxes have been brought to the office with no name on them after being left on the bus or in the cafeteria rooms. Please write your child's first and last name somewhere in or on the lunch box so we can get it back to them as soon as possible! Thank you.

School and Emergency Closings

School closings due to inclement weather will be announced via text, phone, and various media outlets such as WNKI, WPGI, Magic FM, and WELM radio stations, and WENY, WETM, and Time Warner Cable News on TV. In the event of an emergency during the school day, all students will be taken by bus to the address identified by parents on the "Emergency Go Home" form that was completed at the beginning of the school year. As a reminder, this location MUST be on one of the Big Flats Elementary bus routes.

Snow Days Impact our Schedule

When a snow day occurs and all schools in the District are closed, it changes our schedule. The next day that school is in session is the cycle 'Day' that the snow day would have been.

ATTENTION PARENTS AND GUARDIANS OF 3RD AND 4TH GRADERS

To provide schools and parents with an assessment of student achievement, New York State has developed the New York State Testing Program. THANK YOU, WE APPRECIATE YOU!

Dear Big Flats Falcon Parents/Guardians:

On behalf of our BFE Parent Pick Up Team, we would like to thank you ALL for your support and patience with our end of the day pick up procedures! You all have done AMAZING with our traffic pattern. We have a few reminders to further expedite and ensure the safety of all our students, staff, and families:

- ◆ **The earliest you may arrive on campus to line up is 2:10pm. We begin dismissal at approximately 2:23pm. Please do not arrive any earlier than 2:10pm as we are dismissing our PK students until approximately 2:05pm.**
- ◆ Please pull up as close as you can to the car in front of you. We need to get as many vehicles off Maple Street as possible.
- ◆ Please be as quick as you can with assisting children with car seats and seatbelts. Please be sure that every child is properly restrained before pulling forward. Please continue to build independence!
- ◆ Please do NOT pass any vehicles, please stay in line!
- ◆ Please do NOT BLOCK the entrance/exit of our school campus to get in line. Obstructing the view on Maple Street is very dangerous for parents trying to pull out. Please be patient and wait your turn. If your vehicle cannot fit straight at the end of the line when entering our school campus, please wait!
- ◆ Please be courteous and take turns alternating east and west bound traffic when entering our campus.
- ◆ Please do NOT block the entrance of our neighbors' driveways. Please leave each driveway accessible so that our neighbors may enter and exit their homes safely. We appreciate our neighbors and want to always be respectful!
- ◆ If the fire siren goes off, please pull off the road immediately!
- ◆ Please keep your family name tent visible to ALL staff to ensure that we are getting each child to the correct parent/vehicle. Throughout the school year, we will have different BFE staff members assist with student pick up duty. Please continue to be patient and appreciative of our staff who do their best to ensure everyone gets home safely. Please let our staff know how much you appreciate them. A simple thank you goes a long way!

Fight Flu at Home and School

Influenza (flu), spreads easily and can make people very sick, especially kids. You can help stop flu!

Flu symptoms include:

Fever or chills, body aches, cough, sore throat, headache, runny or stuffy nose, feeling very tired. Some people, especially children, may have stomach problems and diarrhea. Unlike a cold, the flu comes on very suddenly.

Prevent flu!

- Flu vaccine is the best protection against the flu. It is recommended every year for everyone 6 months and older.
- Get the flu vaccine for you and your children every year! It helps make flu sickness milder or prevents it altogether.
- Getting the vaccine early in the fall means you and your children will be protected when flu season starts.
- Make sure people close to your children, like babysitters and relatives, are also vaccinated.
- The vaccine is especially important for young children and people of all ages with certain health conditions like asthma, diabetes, and heart or lung conditions. The flu can make them even sicker.

If your child gets the flu:

- Your child will need plenty of rest and lots of fluids.
- Keep your child home from school for at least 24 hours after their fever is gone without using fever-control medicine. This helps avoid giving the flu to others.
- Talk with your child's health care provider before giving a child any over-the-counter medicine.
- Never give your child or teenager aspirin or any medicine that has aspirin in it. Aspirin can cause serious problems.
- Young children and those with certain medical conditions, like asthma, diabetes, and heart or lung disease, are at greater risk for getting seriously ill from the flu.
- If your child gets flu symptoms, call their health care provider and ask if antiviral treatment is right for them.
- If you are worried about your child, call their health care provider.

Don't spread flu!

- Stay home if you are sick.
- Wash hands often with soap and water for at least 20 seconds.
- If soap and water aren't handy, use an alcohol-based hand rub.
- Cough or sneeze into a tissue or your elbow, not your hands. Put used tissues in the trash.
- Avoid touching your eyes, nose, and mouth. That's how germs spread.
- Stay away from people who are sick.
