sharing, caring,  
and learning for life

May/June  
2022

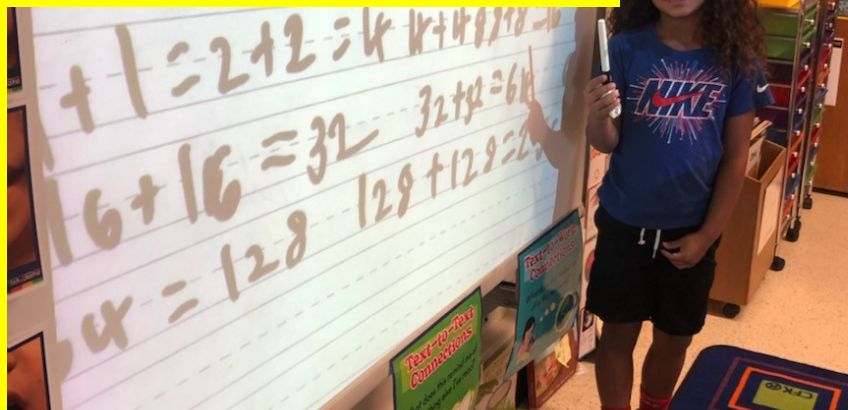

Principal of the Day – On Friday, May 20<sup>th</sup> created by our CS students to honor their principal at CS. Some of the staff members dressed up Principal Sotero and brought her around to the classes. All the students made cards for Principal Sotero and she was so touched by the words and drawings she received. One card's words especially touched her heart – “Thank you Mrs. Sotero, we know that you love us!” Principal Sotero thanked the students on the announcement and shared she really loves and appreciates her CS Family!

## Principal for a Day

## Students Becomes a Teacher

Teacher for the Day – Another wonderful bill written by our students in Mrs. Finnerty and Mrs. French's class. Students were able to teach the teacher and their classmates about something they love and learned to do. Future teachers in the making!!!

## ***BUILDING DOORS WILL BE LOCKED***

As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a white box. Please push the button, wait for a response and someone will assist you. During this pandemic, no adults are permitted in the building. Thank you for your understanding and cooperation.

Visitors to the Schools—We are not accepting visitors to our building at this time due to Covid-19. Students may enter the building upon their temperature check through the main entrance ONLY beginning at 7:35 am.

Also, as parents arrive in the morning with children, please remain outside of the school. Children must learn to proceed to their room on their own.

Teachers are expected NOT to take class time to discuss individual matters with visitors.

Please note these district rules are approved by the Horseheads Board of Education. These safety procedures need your support. If you have any questions regarding these procedures, please call the office. Thank you in advance for your help and support with keeping safety a priority.

**MEDICATION IN SCHOOL** - If a student needs any form of medication at school, a written physician's prescription and written parental consent are necessary. Any medication should be brought in the original container to the health office by an adult where it will be stored and dispensed. Please contact Mrs. Reazor with further questions, please call the office at 795-2580.

**APPR of Teacher and Principals** - The District is required to implement Annual Professional Performance Reviews (APPR) of teachers and principals. The outcome of the APPR is that each teacher and principal will receive an Overall Composite Rating based upon Observation and Student Performance scores. The four possible Overall Composite Ratings are Highly Effective, Effective, Developing and Ineffective (HEDI). You may request the Overall Composite Rating for the teachers and principals in the school building to which your child is assigned for the current school year by contacting the building principal of your child's school. Further, if you require additional explanation of the ratings for the teachers and principals, you may contact Tony Gill, Assistant Superintendent, at 607-739-5601, x4263. Please note that this information may be released only to parents or legal guardians. The District will verify that any request received is a bona fide request submitted by a parent or legal guardian.

Dear Parents and Caregivers:

Happy June! We all made it and we have so much to be grateful for in regards to the partnerships that have been strengthened throughout this school year. We have experienced situations we have never known and we DID IT TOGETHER - successfully!

I no longer will ever underestimate the power of a smile. There is a contagious joy that erupts when someone smiles at you. With the wearing of our safety masks, we have certainly missed out on seeing the smiles and pearly white teeth of our little ones earlier this school year. I do believe we have come away with appreciating even the smallest act of kindness, an honest compliment, a listening ear and any caring gesture. All of these acts have the potential to turn a life around and for many it certainly did!

I hope this summer affords many more opportunities or our students to celebrate special family events. I look forward to seeing you all in the fall and continue to work together to make Center Street Elementary a GREAT PLACE TO LEARN.

Enjoy your summer!

Sincerely,

Patti Sotero, Principal

# CHEMUNG COUNTY LIBRARY

Elementary Teachers,

The Horseheads Free Library would like to invite you to be a guest reader for our summer story time. This story time will be promoted with our summer reading club programming. I am looking for at least 6 readers to sign up. You are welcome to sign up as a team with other teachers if you prefer. I am planning to do these story times on Thursdays at 10:30am starting on June 30. I am asking readers to select 3 books and a related activity. I am willing to help you brainstorm ideas and the library will purchase any supplies that are needed. Students love to see their teachers outside of the classroom. I know that summer is your time away from school. All I am asking is 30-60 minutes of your time to share your love of reading with children this summer. Please call or e-mail me as soon as you can to schedule your week.

Thank you!

Kelly Brown  
Library Clerk

Dear Families,

During this challenging time, our teachers and students need more help than ever. No matter what school looks like, Box Tops for Education is a fast and easy way for you to help out from home.

The Box Tops program has been around for over 20 years, and it really works. In fact, Box Tops for Education has helped give almost a billion dollars to schools since 1996. In 2019, the program evolved to become digital so that you can earn for your school with just the touch of a button.

**HERE'S HOW IT WORKS:** Buy participating products and use the Box Tops mobile app to scan your store receipt. The app identifies eligible products and automatically adds Box Tops to your school's earnings online. Even if you're shopping online or doing grocery pickup, you can still submit your e-receipts and earn Box Tops. Twice a year, our school gets a check!

Your earnings may seem small, but they really do add up. The more people that participate, the bigger the impact we can make. So let's give our teachers the support they need and help give more kids the opportunity to dream. **Little by little, we can help make a big difference.**

**DON'T HAVE THE APP YET?

### To Our Parents and P.T.O.

Thank you for all you have done to help us be successful during a very challenging situation. While we will always look back at this year and remember the masks, social distancing, and remote learning, we will also remember how hard you worked to make it as fun and successful as possible for all of us.

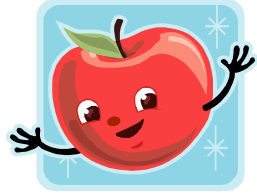

We will never forget your love, hard work, sacrifices, and commitment to each of us. When you did not think anyone was looking - we noticed the sleepless nights, personal sacrifices, and time you put into making this year special for all of us. You would not let anything - including covid - stand in the way of our success. We are here because of you and we will never forget it. Love, The CS Colts

Thank you and we love and appreciate you!
