BUILDING DOORS WILL BE LOCKED

As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a white box. Please push the button, wait for a response and someone will assist you. During this pandemic, no adults are permitted in the building. Thank you for your understanding and cooperation.

Visitors to the Schools – We are not accepting visitors to our building at this time due to the pandemic Covid-19.

Students may enter the building upon their temperature check through the **main entrance ONLY** beginning at 7:45 AM.

Also, as parents arrive in the morning with children, please remain outside of the school. Children must learn to proceed to their room on their own.

Teachers are expected NOT to take class time to discuss individual matters with visitors.

Please note these district rules are approved by the Horseheads Board of Education. These safety procedures need your support. If you have any questions regarding these procedures, please call the office. Thank you in advance for your help and support with keeping safety a priority

Due to the COVID-19 pandemic, we are making temporary adjustments to our Student Handbook for the 2020 -2021 academic year. Please see the adjusted details below and thank you in advance for your flexibility and understanding as we create a safe learning environment for our students.

Birthday Treats: We know birthdays are very important days for our students. Due to the DOH and CDC guidelines, treats are not allowed to be brought in the building to be shared, *even if they are individually pre-packaged or store bought.*

Breakfast: Breakfast is available to students as it has been in the past. This year, our cafeteria will offer a “Grab and Go” breakfast that will be taken back to the classroom to be eaten.

Class Snacks: Students are allowed to bring in their own daily snack as in the past. Due to the DOH and CDC guidelines, teachers will *not* be coordinating a classroom snack schedule where snacks are shared among students.

Code of Conduct: Please be sure to read the district code of conduct as there are changes in the document related to COVID-19.

MEDICATION IN SCHOOL - If a student needs any form of medication at school, a written physician’s prescription and written parental consent are necessary. Any medication should be brought in the original container to the health office by an adult where it will be stored and dispensed. Please contact Mrs. Reazor with further questions, please call the office at 795-2580.

APPR of Teacher and Principals -The District is required to implement Annual Professional Performance Reviews (APPR) of teachers and principals. The outcome of the APPR is that each teacher and principal will receive an Overall Composite Rating based upon Observation and Student Performance scores. The four possible Overall Composite Ratings are Highly Effective, Effective, Developing and Ineffective (HEDI). You may request the Overall Composite Rating for the teachers and principals in the school building to which your child is assigned for the current school year by contacting the building principal of your child’s school. Further, if you require additional explanation of the ratings for the teachers and principals, you may contact Tony Gill, Assistant Superintendent, at 607-739-5601, x4263. Please note that this information may be released only to parents or legal guardians. The District will verify that any request received is a bona fide request submitted by a parent or legal guardian.

The Dignity Act Coordinator (DAC) for CENTER STREET is Patricia Sotero. Complaints regarding discrimination, harassment, or bullying of any student should be referred to Patricia Sotero at 795-2580 x 2600. The Dignity Act Coordinator for the Horseheads Central School District is Mrs. DeFilippo. Mrs. DeFilippo may be reached at One Raider Lane, Horseheads, NY 14845, 607-739-5601, x4211.

Center Street Information

Mrs. Sotero will be connecting with all of our students throughout the month especially on Wednesdays via itslearning.com

Mrs. Sotero shared the Colts' expectations for the year and provided each student an opportunity to complete a survey promising to follow the rules through the school year.

Parents are asked to read over the "HH Code of Conduct" packet with their children. The code book serves as a guide for student expectations and displaying good citizenship in school and in the community. This year a special addendum is also included. Please be aware that our Board of Education has adopted this code for ALL of our schools, and expects that it will be fully enforced as written. If you have any questions or concerns, please contact Mrs. Sotero.

Social Distancing and Mask Wearing

We follow the rules of 6 ft social distancing, wearing masks and washing our hands before and after events which include specials, snacks, lunch, play coming off the bus and before we get on the bus. It is important to keep everyone safe!

If a student does not have a mask, we will provide one to him/her.

Horseheads Central School District

3. Security protocols regarding confidentiality of personally identifiable information are currently in place and the safeguards necessary to protect the confidentiality of student data are maintained at industry standards and best practices. The Center Street students who take the bus are dismissed at 2:10 p.m. Our students who get picked up may begin at 2:25 pm. In order to ensure the safety of our children the following procedures must be followed:

Dismissal Plans: Parents must supply the school office with written notification of their child's regular dismissal plans by the first day of school. If you have more than one child, please write a note for each child's teacher.

Walkers: Children who walk home must have a note to inform the teacher. If your child is to walk home on a daily basis, please send one note at the beginning of the year indicating this plan stating "until further notice". If your child will walk home only on special occasions, you will need to send a note each time.

Parent Pick-ups: Children who will be picked up on a daily basis must have a note from parents at the beginning of the school year indicating this plan stating "until further notice". Any student that will be picked up from school, on special occasions or early for an appointment, must have a note for each time.

Dismissal Changes: Parents must call the office by 10:00am, due to the Transportation Department notifications, with any dismissal changes for student pick-up. ***For any dismissal changes after 10:00 am, only emergency changes will be honored.***

After School Kids World: Children, who have registered for the programs in advance, attending the Kids World Program at Center Street must have a note on file in the school office from parents by the start of school. Thanks for your cooperation in keeping our students safe.

As we start a new year, our focus continues to be to provide richer and more interactive classrooms at Center Street. When you see the pictures of our school on Facebook and in our newsletter, you will once again find positive posters hanging throughout the hallways. These posters build our continuous theme **“Kindness is Key at Center Street”**.

Our school wide focus this year is making something positive out of something difficult or negative. This year's book focus is “The Energy Bus for Kids” by Jon Gordon. We continue to discuss great ways in which we can help to make a difference in the lives of others.

Career Development Council

Volunteers Needed for School Career Events

The school district has many career related events including career days, career panels, job shadows, classroom speakers, field trips, and mock interviews. **We are always looking for volunteers** for these events. We are looking for parents, grandparents, other adult family members and friends as well as community volunteers in every career field. If you feel your career is not of interest or you are currently at home, you may still contribute through mock interviews and other fun classroom events. Most events are only an hour or two on a given day, yet **your experience and career knowledge** can deeply influence a child's life, career goals, and future educational path.

If you are interested in volunteering or learning more about how you can get involved, **please contact Deb Lynch**, the Career Development Representative for the Horseheads School District, at **(607)795-5320** or **dlynch@gstbooces.org**.

Horseheads Central School District

Information about Emergency School Closings/Delays

Schools are closed when the weather makes it impossible to have reasonable attendance or when the schools or vehicles would not be able to operate safely. The school day is delayed when inclement weather conditions improve by early morning. Inclement weather may include snow, ice, and freezing temperatures. If the school day is delayed, buses will run and schools will open two hours later than the usual time.

The district announces school closings and delays in a variety of ways:

Text messaging (effective February 2019) – Parents/guardians can receive a text message if schools are closed or delayed by opting in to our text messaging service through SchoolMessenger. To opt in, text Y or Yes to 67587. You will receive a text response confirming that you are registered for texting.

District website at www.horseheadsdistrict.com

District Facebook pages (the district and all seven schools have pages)

Twitter - @HhdsSchools

Local television and radio stations:

TV - WENY, WETM, Spectrum Cable News

Radio – WELM 1410AM, WNKI 106.1FM/WPGI 100.9FM, WENY 1230AM/ MagicFM 92.7FM/
WGMM 98.7

Note: Television and radio stations also put closing/delay information on their websites.

Please do not call the radio/TV stations or the district's Transportation Office.

Important notes about school closings/delays:

There may be a time when any of these means of communication do not work due to Internet issues, etc, so we ask that you check more than one of our communication methods to determine if school is in regular session or not for that day.

If schools are closed, they will remain closed all day for scheduled activities, including remedial programs, extra-curricular activities, use of facilities by non-school groups, and evening programs.

When school is delayed, there is no supervision for students until schools open two hours later than the usual time, so parents should not drop their children off at school until they open. Additionally, on school delays, there is no breakfast served.

On school delays, prekindergarten begins at 10:30am.

If a storm develops after school begins, usual procedure is NOT to close school early. This allows time for highway crews to plow and sand the roads and has proved to be less disruptive and confusing than attempting to send students home early.

EMOTIONAL HEALTH SCREENINGS AVAILABLE FOR ALL CHEMUNG COUNTY YOUTH AGES 4-21

It is important to regularly check on your child's emotional health. A child who does not feel well emotionally can become physically sick and physical illness can affect emotional health. In any event, it is more difficult for a child, who does not feel well, to be interested in going to school or succeeding in school. When emotional health concerns are dealt with early we can help young people get the most out of their education and lead happy, productive lives.

Good emotional health leads to:

Good Relationships
Good Decisions
Ability to deal with life's challenges
Interest in school
Improved physical health

Emotional Health Issue can affect:

School Performance
Physical Health
Personal Relationships
Actions toward others

Completing an emotional health screening is a simple effective way to look at a child's emotional development. To participate in the screening, complete a consent form and the emotional health screening for your child. **Forms are available on the school district website; www.horseheadsdistrict.com, then click on Center Street school. Completed forms can be sent to Family Services of Chemung County, 1019 East Water St., Elmira, NY, 14901, ATTN: Marilyn Cristofaro**

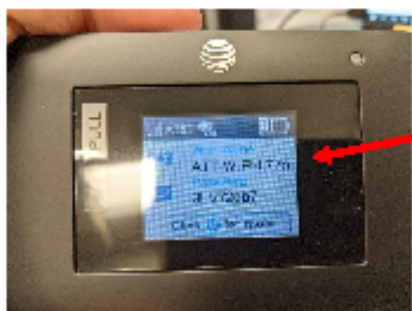

For additional information contact: Marilyn Cristofaro, Community Mental Health Program Coordinator, at Family Services of Chemung County, 607-733-5696.

Notes regarding the district loaned AT&T Hot Spot:

Tech Support Form

We ask parents, guardians, and students who have technology questions, including issues with district-owned devices and questions about the itslearning management system or other district programs, to use the technology support form to submit a support request: https://forms.office.com/Pages/ResponsePage.aspx?id=KtLKIY3tDEGU4Az1zjSEePHH3UhzI7lDs958K7D4_QIUREpNSVMxWEsSMTgxMEw4QVZTR1RQSkpJQS4u.

A technician will respond as soon as possible. You may also call 607-481-2850 and leave a detailed message about your technology issue. Know that the details of the form allow us to assist you better than a voicemail. Our tech staff will respond to the forms or voicemails between 9am and 3pm Monday through Friday.

Connectivity: accessing the internet

To address the connectivity need for some families around the district, we have opened the secure network around each of our school buildings. We invite parents and students to our school parking lots to access the internet. While sitting in a vehicle in the parking lot, students can use their normal login credentials to access their district drives and the internet, just as if they were in the building. A few tips for using our net-work in school parking lots: •

Park as close as to the building as you safely can.

- When using a district device, it will automatically connect to our regional Wi-Fi.
- If using a district device, students can create a folder on the desktop and download documents to that folder for ease of use when not online; and then upload the completed documents when they reconnect.
- Video streams must be viewed while in the parking lot. Small videos and other documents can be down-loaded to the device.

We continue to look for additional ways to provide our district network access to families in these unusual times. We will inform families of these options as they develop.

What is itslearning?

Itslearning is a learning management system (online platform) that allows teachers to have an online component alongside their traditional instruction. Not only can teachers post classroom content but they may also have students participate in online discussions, submit assignments, complete assessments, and create content. In addition to being a vital component for everyday teaching and learning, itslearning will also be utilized during any days missed due to unscheduled school closures (ex. inclement weather). Itslearning is also a communication tool for administrators, teachers, students, and parents.

What can I do as a parent/guardian?

In all courses, parents can monitor content assigned to their children through itslearning. You may log in with your parent portal account and access the parent dashboard or have your child log in to the platform and show you what he or she is doing. Students can log in simply by using their normal username and password, the same as they would use on a district device.

You can see the Lesson Planner section for the class lesson presented that day, see posted homework or posted 'no homework', see class resources used, class activities, and any information about upcoming tests, projects, and quizzes. You may also check on bulletins or reminders in individual courses and find links to valuable resources that students may need throughout the year. This can include on-line text books and more.

The first time a parent or student accesses the district itslearning page, there are video tutorials on the home screen before you log in to the platform. Please view these videos to help you familiarize yourself with the system:

<https://horseheadsdistrict.itslearning.com/>

School Tool: Parent Portal,

During this time, it is increasingly important to find multiple ways for our teachers and parents to remain connected. The Horseheads Central School District Parent Portal allows parents to view grades and attendance through our SchoolTool website. To access the portal on an internet browser, go to <https://schooltool.horseheadsdistrict.com>

You can also find the SchoolTool Mobile app in the Apple app store and Google Play store. The URL for the mobile app is <https://schooltool.horseheadsdistrict.com/sthhweb>.
