## ***BUILDING DOORS WILL BE LOCKED***

As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a white box. Please push the button, wait for a response and you will be buzzed into the building. We may ask you to look toward the camera or identify yourself by speaking into the white box. Once you enter the building, please report directly to the office to sign in and pick up a visitor's badge. You will need to be buzzed in for you to enter the office. Please push the door once you hear the buzz noise.

**Visitors to the Schools** – to maintain a safe place for our children to work and learn, certain limits must be set for visits by parents and other agencies. For these reasons, the following rules apply to ALL visitors to the school.

**ALL VISITORS ARE REQUIRED TO SIGN IN AT THE MAIN OFFICE IMMEDIATELY UPON ENTERING THE BUILDING TO RECEIVE A VISITOR'S PASS WHICH MUST BE WORN AT ALL TIMES WHILE IN THE SCHOOL OR ON THE SCHOOL GROUNDS.**

Teachers are expected NOT to take class time to discuss individual matters with visitors.

Visitors attending school functions that are open to the public such as parent teacher organization (PTO) meetings or public gatherings are not required to register.

Any consumables (food, beverages, etc.) brought in by visitors are subject to search and / or inspection.

## Annual Youth Emotional Health Screening

The Youth Emotional Health Screening program is offered, by Family Services of Chemung County, Inc., to all students in Chemung County schools. Screenings are offered annually because children go through ups and downs in their lives and we don't know when emotional challenges might occur. It is important to check in regularly to make sure your children, are on track. Completing an emotional health screening is a simple effective way to look at your child's emotional development.

A child who does not feel well emotionally can become physically sick and physical illness can affect emotional health. In any event, for a child who does not feel well, it is more difficult to be interested in going to school or succeeding in school. When we take care of emotional health concerns early, we can help young people get the most out of their education and lead happy, productive lives. Sometimes simple solutions can make a big difference.

The Youth Emotional Health screening program is free, voluntary and confidential. Parental consent is required and results are only shared with parents or guardians. Screenings include questions about mood, attention levels, sleeping patterns, school performance and more. In the event a student's screening indicates a need for emotional health services, screening staff will work with the student and family to connect them with resources in the community.

**The Horseheads Central School District asks all parents/guardians to consider participation in this screening program.** Parents will receive more information in September.

**For additional information contact:** Marilyn Cristofaro, Community Mental Health Program Coordinator, at Family Services of Chemung County, Inc. (607-733-5696). To access screening information online go to: [www.horseheadsdistrict.com](http://www.horseheadsdistrict.com).

## ***Information about Emergency School Closings/Delays***

Schools are closed when the weather makes it impossible to have reasonable attendance or when the schools or vehicles would not be able to operate safely. The school day is delayed when inclement weather conditions improve by early morning. Inclement weather may include snow, ice, and freezing temperatures. If the school day is delayed, buses will run and schools will open two hours later than the usual time.

If it is necessary to close or delay schools, the information will be posted on the district's website at [www.horseheadsdistrict.com](http://www.horseheadsdistrict.com), the district's Facebook pages and Twitter, and the following local television and radio stations and their affiliates:

Radio: WNKI 106.1, WPGI 100.9, Magic FM 92.7/97.7, WGMM 98.7, WLVE 94.3, WELM 1410

TV: WENY, WETM, Time Warner Cable News

These television and radio stations also put closing/delay information on their websites.

Each of our schools and the district have Facebook pages. To see school closings/delays and other information on your news feed, "like" the page(s). On Twitter, follow us at @HhdsSchools.

Additionally, WETM TV has an automated system to e-mail and/or text closings and delays to those who have signed up for the service. Parents may sign up at the following link: <http://www.mytwintiers.com/sms>. Scroll down to "School and Business Closing Alerts."

Please do not call the radio/TV stations or the district's Transportation Office.

Please note that if schools are closed, they will remain closed all day for scheduled activities, including remedial programs, extra-curricular activities, use of facilities by non-school groups, and special evening programs.

Please also note that when school is delayed, there is no supervision for students until schools open two hours later than the usual time, so parents should not drop their children off at school until they open. Additionally, on school delays, there is no breakfast served.

As we start a new year, our focus continues to be to provide a richer and more interactive classrooms at Center Street. When you stop by the school, you will once again find posters hanging throughout the hallways. These posters build our continuous theme
