Principal's Post

Spring has officially arrived! With the temperatures on the rise, it has been great to get outside more often. I hope spring brings you a refreshed feeling in the months to come.

As we soon head into Spring Break, I wanted to share a few important pieces of information. We hope you find some time to relax and enjoy the time together in the weeks to come. Spring Break is an important time to slow down and recharge your batteries. We encourage students to continue reading and staying active throughout the break. Please encourage your child to read at least 30 minutes and get an hour or more of physical activity while on break. This will keep them in good shape for their return to us on April 29th.

This year has been an incredible time for everyone to show their immense strength, determination, and perseverance as we continue to close the deficits from the past few years. I am extremely proud of our staff for their commitment to providing an amazing education, of our students for their efforts in navigating the struggles with great persistence at their young age, and our parents for the unwavering support and flexibility you have provided.

Thank you for all you do to support your child in their education. The time you devote to reading with them, helping with homework/projects, or even just ensuring their best quality work, is an investment that will pay off in the future. Check out the article to the right for 87 things you can do as a family to stay active. If you have any questions, feel free to reach out.

Yours in education,

Michael Bostwick

Extra! Extra! Read All About It!

1. **State Testing Information:** The NYS ELA Test is scheduled for Wednesday, April 10th, and Thursday, April 11th.
2. **Ferocious Readers** - We are quickly approaching that time of year for the completion of reading 4K page goal. We will have a special recognition for those students who achieve this goal. Each teacher has a system in place for students to report that they have met the 4K page goal. Please encourage your child to report to his or her teacher any books read so far this year.
3. **Dress Code Reminders:** With warmer weather hopefully on its way, it is time to review our dress code. Brief garments such as halter tops, spaghetti straps, net tops, tube tops, midriff bearing, or see-through garments are not appropriate. Undergarments should be completely covered with outer clothing. Footwear that is a safety hazard will not be allowed—this includes flip flops. Sandals and slip-on shoes on the playground equipment also pose a safety concern. Shorts should be a comfortable length and fit appropriately. On cool days, students should dress appropriately for the temperature. Thank you for your cooperation in adhering to this code. Additionally, for health reasons, sprays, perfumes, etc. should not be brought to school.
4. We encourage students to **bring healthy drinks** rather than soda for snack or lunch. High caffeine energy drinks such as Monster, Red Bull, etc. are not permitted. **Healthy snacks that are low in sugar** allow students to focus better and maintain their attention span. No glass bottles please!
5. **Presidential Service Awards:** As the end of the school year is approaching, 6th grade students who meet the criteria for the 50, 75 or 100 hours awards and wish to receive their award at the Grade 6 Awards Ceremony will need to have their final log for the school year turned into the IS Office by Friday, May 3, 2024, to ensure the arrival of awards. Grade 5 students who meet the criteria will have their awards presented to them here at school. All 5th and 6th grade students who wish to continue working toward the award may do so through June 30, 2024. These log hours need to be dropped off in the IS Office by July 1, 2024. Awards will be available for students in September of 2024. Please contact the IS Office should you have any questions. [Click here](#) for more information and service logs.
6. **5th Grade & New Entrant Required NYS Physical Exam:** New York State requires that physical/health examinations be performed for all new students to the District and for all students that are entering grades **Pre-Kindergarten, Kindergarten, Grades 1st, 3rd, 5th, 7th, 9th, and 11th**. If you have a child entering any of these grades this fall, please contact your physician to schedule an appointment and make sure you send a copy to the school. Effective January 21, 2021, all physical health examinations must be documented on the [Required New York State School Health Examination Form \(nysed.gov\)](#). You may print a copy and bring it with you to your provider's office. Please obtain a copy and email it to edarmstadt@horseheadsdistrict.com or request your doctor's office fax a copy to HH Intermediate School-(607)795-2495. Please note the Doctors' offices do not do this automatically.
7. **6th grade Required Tdap Vaccine:** NYS requires 6th graders who are 11 years old to have a Tdap vaccine. This vaccine must be given no earlier than 10 years of age and no later than 11 years of age. For 6th grade students who are 11 years old, proof of this vaccine must be received within 14 calendar days of the start of the 2024-2025 school year. You may receive this vaccine at your primary provider's office or the Chemung County Public Health Department by calling 607-737-2028. For questions, please call Erica Darmstadt, your Intermediate School Nurse at 607-739-6366(3) or email edarmstadt@horseheadsdistrict.com.
8. **SUMMER SPORTS PHYSICALS 2024:** Summer physicals are now registered in Final Forms which replaced Family ID. The date has not yet been finalized. Please refer to the District Web Site for Dates of Summer Sports Physicals and Registration.

NYS Assessments

The **ELA State Test will be given on April 10th and 11th and Math will be administered on May 7th and 8th.** These tests help us determine how each student is performing with specific skills toward the standards' expectations. They also help us to know who needs extra help (Academic Intervention Services or AIS) for the following school year in each of these areas. However, state tests alone will not be used to determine the need for additional help. We will be using multiple sources to determine the need for extra help.

NYS has improved the testing process by decreasing the testing days from 3 to 2 days, making them untimed, questions are written by educators, and they are releasing over 75% of the test questions for our use at the local level.

**We explain to students we simply want them to try their best. However, we don't want to burden our students with stress and anxiety. Thanks for your help with this!*

Test Taking Tips For Parents

1. Make sure your child gets a good night's sleep before a test and has a nutritious breakfast in the morning.
2. Maintain a pleasant home environment and avoid unnecessary conflicts. Try to make the morning of the test a pleasant one.
3. Make sure your child has taken any needed medication.
4. Ensure that your child is present during testing (children generally perform better when taking tests with their class, rather than at a make-up time).
5. Get your child to school on time the day of the test.
6. Wish your child good luck each morning of the test. Tell your child that you believe in them.
7. Remind your child the test is important, but don't put too much emphasis on them that would create stress or anxiety.
8. Encourage them to do their best.
9. Remind your child to listen carefully to the instructions from the teacher, and to read the directions and each question carefully.
10. Explain to your child the importance of using time wisely. If your child gets stuck on a question, encourage them to make the best guess and move on.
11. Tell your child to attempt to answer all questions and not to leave any blank.
12. Encourage your child to stay focused on the test, even if other students finish early.

NEWS FROM THE LIBRARY

Your child can access books on any device! **Sora** has a variety of genres and levels for them to read for free! Go to soraapp.com or the Intermediate School Library Page. Students will need to log in with their school username and password. They can also link to the public libraries! Check it out with your child today!

Thank You, :)
