

The School Connection

Principal's Post

Horseheads Intermediate School

I hope the new year has been treating you well so far. It has been so nice to have consistency throughout the month of January for students and their learning.

I'd like to first thank you all for being supportive and understanding as we continue to navigate the challenges of the school year. As educators, we realize the importance of solid instruction so that students can learn to the best of their abilities. Yet, nothing is more important to us than the social, emotional, and mental well-being of every single student. While no one can deny, this year continues to be far from ideal, we will continue to explore ways to look after our students and engage them in learning. However, we cannot do it without your help! Please continue to encourage your child with positive messages of how much you believe in them. Check on their assignments and work completion, and reach out to their teachers if they are struggling in any way.

Email is a very efficient, effective, and cost-savings way of staying informed. If you do not have your email address registered to receive school information, please contact the Main Office to be added to the list or email (cmaine@horseheadsdistrict.com). Many school reminders and information are sent home via email unless you specifically request a paper copy. Other great ways of staying informed are by following our school on Facebook. Join the digital connection!

Check out the parent article below called *Nine Steps to More Effective Parenting*. Let's face it fellow parents, we could all use a little parenting advice from time to time, but especially now amidst our struggles. If you have any questions, comments, suggestions, or concerns, please do not hesitate to contact me via email or phone.

Yours in education,

Michael Bostwick

Extra! Extra! Read All About It!

1. Please be aware that when you are attending any after school events, you cannot park in the fire lanes, block hydrants or block exits at any of our school buildings. This includes the lanes in the front of the IS/MS complex. This is a State Education Department law in which our local enforcement officers may ticket vehicles who are in violation of it. Please adhere to the stop sign when you are exiting the rear parking lot.
2. **Ferocious Readers:** Please encourage your child to read on a daily basis. This will certainly build their reading skills, increase ability, and help them reach the 4K page goal. Each Intermediate School child is challenged to read three grade level books each month for a total of approximately twenty-five books for the year. Help your child reach the 4K page challenge by going to the Library, reading together, and discovering books your child will enjoy.
3. Please continue to save aluminum can pull tabs to benefit the Ronald McDonald House.
4. Intermediate School Parent Information Night and Self-Guided Tour, *for incoming 4th grade families*, is scheduled for April 5th, 6:00 PM, IS Cafeteria.
5. To report child abuse or neglect: Call Toll Free 1-800-342-3720 or ocfs.ny.gov/main/cps.

Black history month first began as Negro History Week in 1926, when Carter G. Woodson desired to ring the birthdays of Abraham Lincoln and Frederick Douglass together as a cohesive celebration. It morphed into a wider observance as popularity grew, notably by young Black college students in the 1960s. Now, Black History Month is marked by special curriculums, performances, art and events to remember the history of Black people in America.

Now more than ever, we need to celebrate diversity as a step toward reunifying our nation and our people. Join me in honoring the past heroes in the black community such as Dr. Martin Luther King and Rosa Parks, as well as everyone currently fighting for global equity.

Congratulations to our school Spelling Bee champion, Niyati Sharma! She was our winner after a grueling back and forth battle with runner up, Dhruv Shrisudersan. Both students will represent the Intermediate School at the Regional Spelling Bee on March 5th! Winner of the regional bee will go to Washington DC for the national Scripps Spelling Bee. Good luck students!

INFORMATION REGARDING VACCINATION REQUIREMENTS!

NEWS FROM THE HEALTH OFFICE

PLEASE READ THIS VERY IMPORTANT INFORMATION FROM THE HEALTH OFFICE

Dear Fifth Grade Parents/Guardians:

All 6th grade students will need to receive 2 doses of the Varicella (Chicken Pox) vaccination along with the Tdap vaccine. The laws are very strict, and we cannot allow students to come to school after the first 10 days of school without these immunizations.

Your child may get the required immunization through your health care provider, Five Star Urgent or Walk-In Clinics or through the Chemung County Health Department, at (607)737-2028, appointment, only if qualified.

You must provide proof that your child has received the Tdap immunization in order for your child to attend school in the fall. Your health care provider or health department will provide you with this written proof once your child receives the immunization. Please bring this proof to our Health Office or fax it to us at 795-2495. **No appointment cards accepted.**

Please note: 10-year-old students who are entering 6th grade will not be required to receive the Tdap vaccine at this time and will not be excluded from school but will be tracked and must be immunized upon turning 11 years old.

If you have further questions, please contact the Health Office at 739-6366 (Option 3). Thank you for your cooperation.

HEALTH CORNER

It is that time of the year again to remember good health practices. Please keep your child home if he/she has had a temperature of 100 degrees or higher, vomiting or diarrhea in the past 24 hours. Because there is no known cure for the common cold, prevention is the key to keeping colds away. Most of the time you acquire a cold virus by touching your eyes, nose or mouth with an object that has the cold virus on it. Therefore, to help avoid catching a cold:

- Wash hands thoroughly and frequently with warm soapy water.
- Sneeze into a tissue, rather than your hands, then discard the tissue(*Remember to please send in tissue boxes)
- Don't touch your face—your hands may have come in contact with a cold virus!
- Drink 8 glasses of water daily.
- Get plenty of rest—up to 12 hours a night!!!
- Please be considerate of others—you are contagious for the first three days cold symptoms appear.

Reminders From the Art Rooms

Dear Horseheads Intermediate Family and Friends,

The school year has been flying by and we're already knee deep in the winter season. The students have been creating some really incredible projects in class and we are so impressed with their skills and creativity. We hope you're following along with them throughout the school year on [Artsonia](#). Artsonia is a great resource for seeing what is going on in the Art Rooms, watching your student's growth over the course of the year, and it's also an opportunity to get some great mementos with your child's work on it. If you have any questions about accessing Artsonia or your child's account, please don't hesitate to contact Chris Bell or Angela Niforatos here at the Intermediate School. All the proceeds from the website directly benefit us here and help us get supplies to keep doing great work!

We also wanted to send out a reminder that Visions & Voices, the Horseheads School District's annual magazine of student art and literature, is coming out again this year. We would love to showcase your students work. It can be drawing, painting, sculpture, poetry, or written prose. Work doesn't just have to be something that they've done in class. Submit artwork digitally to:

cbell@horseheadsdistrict.com

As always, we thank you for your support, and are looking forward to showing off all the great work from the students in the upcoming art show in the spring!

Thank you!
