## Horseheads Intermediate School

### Principal's Post

As we enter another school year, I reflect back on how quickly the summer passed by with everything being flipped upside down due to the pandemic. This will be another interesting school year, but together we will navigate through it!

Now we are back at it...summer will be quickly fading away, and fall will be upon us soon. For some that may mean bad news with winter inevitably on its way, but for me it means cooler temperatures, changing leaves, football season, but most importantly – a fresh start to a new school year. To me, fall brings a sense of strength in knowing that renewed beginnings bring new learning. My hope is that the summer has rejuvenated our students and broadened excitement for the challenges that lie ahead.

I am truly excited to have a full staff and most students back at the Intermediate School. There will still be many challenges throughout the school year, but we will tackle each one as they arise. I can't help but think how fortunate we are to have the honor and privilege of educating students in the Horseheads Central School District. We all take that seriously, and we'll do all we can to help each and every child reach for their full potential. I thank you in advance for your support.

Please read this newsletter carefully as it is full of important information about the Intermediate School and some exciting upcoming events. If you'd like to stay informed about the great things going on at Horseheads Intermediate School, dig into our social media. ## Extra! Extra! Read All About It!

Staff at the Horseheads Intermediate School would like to welcome you to our school. We look forward to a great year! The staff is charged with the responsibility of ensuring the welfare and safety of your children from the time of their arrival at school in the morning, until they are placed aboard the school buses at dismissal. In order to fulfill this responsibility, we solicit your cooperation with the requests below.

1. If you would like your child to be excused from school early, please send a note stating the time of dismissal, the name of the person to whom the child is to be released, and the reason for the early dismissal. Students will remain in their classroom until you arrive unless you call ahead to say you are on the way.
2. School begins at 8:25 AM. Homeroom period starts at 8:00 AM. Students who do not ride the bus to school **should not arrive before 7:40 AM**. No supervision will be provided prior to 7:40 AM. From 7:40 AM until 8:00 AM, students will be directed to the Cafeteria. Breakfast will be available from 7:40 AM – 8:25 AM. To avoid any potential unsafe situations, it is requested the stipulated arrival time be followed. **This is a reminder: Parent Drop-Off will only be at the Main Entrance of our school.** Please drive up and around the outside of the upper parking lot and proceed to drop off in the canopy area at the Main Entrance of the Intermediate School. Please make sure your child is ready to **exit the curbside of your vehicle**. Morning buses will use the Fieldhouse entrance to drop-off students to school. No parent vehicles will be allowed to use the Fieldhouse entrance. This is for safety and to minimize traffic congestion at the school and on Sing Sing Road.
3. If your child is not going to ride home on the school bus on a given day, send a note on that day to the school office outlining your pick-up plans. Children should be picked up promptly between **2:20 – 2:30 PM** according to the procedures previously sent out. Adults picking up students will be asked to sign a dismissal sheet before leaving with the children. Please park in the front of the building in the upper lot and use the side doors (door 26 for 5<sup>th</sup> grade and door 21 for 6<sup>th</sup> grade). Please do not arrive before 2:20 PM. Recess is held on the blacktop of the upper parking lot until this time and classes do not end until 2:15 PM.
4. Students who have notes for early dismissal or for other dismissal arrangements are to take a note to **their homeroom teacher in the morning**. Without a note, your child will be placed on his/her regular bus or pickup based on the regular procedures.
5. On the first day of school, several papers need to be read and signed. **One very important notice is the EMERGENCY GO HOME form. Please be sure that your child is aware of the emergency address in the event of an early dismissal. Be sure to alert us to any changes that may occur throughout the school year in order for the changes to be made here at school**
6. Should any questions or concerns arise during the school year, we would ask that you contact your child’s teacher first, per school district policy. Further questions can be directed to the building administrators.

7. Please note an important message from the Transportation Department. If you should have any questions, please feel free to call us at 739-6366.  
**“In an effort to cut costs and increase efficiency, we have consolidated some of our bus runs. As a result, your child’s bus number(s) and bus times may change, and your child may be on the bus a little longer than last year. In addition, due to limited space on the buses, we are no longer able to allow friends of students to ride their bus to and from school with them.”**
8. FREE SCHOOL MEALS – All students can receive a free breakfast and lunch through the National School Lunch Program Seamless Summer Option each school day in the 2021-2022 school year ensuring they are fueled and ready to learn.
9. Important Open House Information. Our Annual Open House is scheduled for **Tuesday, September 14<sup>th</sup>, between 6:30 PM – 7:30 PM**. This is always a great evening. **The evening is structured as a traditional style of Open House. Parents are welcome to travel around and meet all teachers anytime between 6:30 – 7:30 PM.** Please note that this structure will allow parents to briefly meet each teacher and learn valuable information about the school year. If you wish to spend more time with the teacher, please set up a conference for another time. We ask that only parents/guardians and students attend to limit the number of visitors. We apologize, but extended family members should not attend this event. **All guests will be required to wear a mask while indoors.**

**OPEN  HOUSE**

**Intermediate School PTO Officers (2021-2022)**

I'd like to introduce you all to our PTO Officers for the 2021-2022 school year. Please attend our meetings held in the Library at 6:30 PM most often on the second Tuesday of the month. Our first meeting is on September 21<sup>st</sup>.

**FAMILY VACATIONS**

Absences due to vacation trips are not excused absences. Before making vacation plans, please consult the school calendar. Parents are strongly discouraged from taking their children out of school for family vacations because valuable classroom instructional time can never be replaced by make-up assignments. If parents decide to take their child out of school for vacations, please notify your child’s teacher.

Because such extended absences are not excused, students are expected to request their work **upon return**. You may ask ahead of time for work, but homework may change based on how students are learning the content. An appropriate time frame will be given to return the assignments. Students should be encouraged by parents to practice academic skills while on the trip (i.e. journaling, applying math to situations, finding science/historical connections, etc.)

# Dignity For All Students Act (DASA)

## *Differences between Conflict and Bullying*

### Conflict

- ▶ occurs in the heat of a moment
- ▶ is often a difference of opinion
- ▶ two or more students are upset
- ▶ does not happen continually
- ▶ students want a mutual solution
- ▶ is not planned

### Bullying

- ▶ intent to cause harm – bullies have thought about how to harm others
- ▶ imbalance of power - bullies use power to control or harm their victims
- ▶ repetition - bullies often target the same people over and over

If your child is experiencing any issues at school, please keep in close contact with the teacher(s). If the issue is serious or persistent, building administrators will handle each issue earnestly.

# HABITS OF MIND

The Intermediate School will be practicing the Habits of Mind. Habits of Mind are characteristics of what people can do when faced with challenges or problems to solve. There are 16 Habits of Mind, and our school will focus on one Habit of Mind per month beginning with **Listening with Empathy and Understanding**:

**1. Listening with Empathy and Understanding - September**

2. Persisting
3. Managing Impulsivity
4. Thinking Flexibly
5. Taking Responsible Risks
6. Questioning and Posing Problems
7. Applying Past Knowledge to New Situations
8. Striving for Accuracy
9. Thinking about your Thinking ( Metacognition )
10. Thinking and Communicating with Clarity and Precision

*Listening with Empathy and Understanding means to always consider other people's perspectives, listen attentively, and to care about others' opinions. Please help foster this at home.*

If you would like to know more about the Habits of Mind, please visit

<https://www.habitsofmindinstitute.org/what-are-habits-of-mind/>

*Character Trait of the Month is...*

**Respect**

- Treat others the way you want to be treated
- Be tolerant of differences
- Use good manners and positive language
- Be considerate of the feelings of others
- Deal peacefully in times of conflict

## ADVANCED ART PROGRAM

Advanced Art classes will be offered to fifth and sixth grade students who show skills and demonstrate accelerated levels. These classes allow for students to engage in higher level projects during an extra Art time. Some of the criteria for the program selection are: 1) The student consistently demonstrates excellence in art skills, technique and creative problem solving with a variety of art forms and materials; 2) The student completes quality Art assignments; and 3) The student consistently exhibits self-motivation, interest in pursuing Art outside of the classroom, and considers pursuing Art as a possible future career.

\*Students need to be successful in their classroom studies to be available during this time for extra art instruction.

Initially, each student's ability level will be assessed through a Composite Drawing Test, their beginning art projects and recommendations from elementary Art teachers.

Parents of those students accepted will be notified and asked to sign a permission slip. Class attendance is mandatory for participating students. Please understand that space is limited, with only two classes of Advanced Art available for each grade level. Students who were previously in Advanced Art are not automatically guaranteed a spot for this school year. ALL students will be assessed on a continuous basis and can join the program throughout the year.

## VOLUNTEERS NEEDED FOR SCHOOL CAREER EVENTS

The school district has many career related events including career days, career panels, job shadows, classroom speakers, field trips, and mock interviews. **We are always looking for volunteers** for these events. We are looking for parents, grandparents, other adult family members and friends as well as community volunteers in every career field. If you feel your career is not of interest or you are currently at home, you may still contribute through mock interviews and other fun classroom events. **We will be doing many of these events on-line, but they are still important experiences for the career development of our students.** Most events are only an hour or two on a given day, yet **your experience and career knowledge** can deeply influence a child's life, career goals, and future educational path.

# INFORMATION REGARDING VACCINATION REQUIREMENTS!

## NEWS FROM THE HEALTH OFFICE

### Dear Fifth Grade Parents/Guardians:

In order to be in compliance with NYS immunization requirements, all 6<sup>th</sup> grade students\* must receive a booster dose of the Tdap immunization. The Tdap immunization is a tetanus, diphtheria and acellular pertussis immunization. It is a tetanus booster that also adds protection for pertussis (whooping cough). This vaccine is not a new vaccine and has been required for school attendance since September 1, 2016.

To meet the requirement, this Tdap vaccine must be given no earlier than 10 years of age and no later than 11 years of age. For 6<sup>th</sup> grade students who are 11 years old, proof of this vaccine must be received within 14 calendar days of the start of school. **Information must be received by September 21, 2021, or your child will be unable to attend school starting on September 22, 2021**, until paperwork has been brought in with the documented Tdap being given. You must provide proof that your child has received the Tdap immunization for your child to attend school in the fall. Acceptable forms of documentation include an Immunization certificate signed or stamped by your health care provider or an electronic health record copy from your health care provider's office. You may email this to [scamachocipolla@horseheadsdistrict.com](mailto:scamachocipolla@horseheadsdistrict.com), fax to our Office at 607-795-2495 or drop it off to the Intermediate School.

Your child may receive the required immunization through your health care provider or through the Chemung County Health Department. For more information, please call (607) 737-2028 #2 for an appointment.

**NYS Department of Health effective September 2, 2016 requires all 7<sup>th</sup> and 12<sup>th</sup> grade students have a meningococcal vaccine.**

**\*Please note: 10-year old students who are entering 6<sup>th</sup> grade will not be required to receive this vaccine at this time. They must receive this vaccine no later than 14 days after turning 11-years old and will be tracked accordingly.**

To learn more about this and other vaccination requirements in New York State, visit [www.health.ny.gov/immunize](http://www.health.ny.gov/immunize). For specific questions about your child, please contact your primary provider.

If you have further questions, please contact the health office at 739-6366 (3). Thank you for your cooperation.

Sincerely,  
Michael Bostwick  
Principal

## HEALTH CORNER

It is that time of the year again to remember good health practices. Please keep your child home if he/she has had a temperature of 100 degrees or higher, vomiting or diarrhea in the past two hours. Because there is no known cure for the common cold, prevention is the key to keeping colds away. Most of the time you acquire a cold virus by touching your eyes, nose or mouth with an object that has the cold virus on it.

Therefore, to help avoid catching a cold:

- Wash hands thoroughly and frequently with warm soapy water.
- Sneeze into a tissue, rather than your hands, then discard the tissue>(\*Remember to please send in tissue boxes)
- Don't touch your face—your hands may have come in contact with a cold virus!
- Drink 8 glasses of water daily.
- Get plenty of rest—up to 12 hours a night!!!

Please be considerate of others—you are contagious for the first 3 days after symptoms appear.

**If you have questions, please call the Health Department at 737-2028.**

### ***Information about Emergency School Closings/Delays***

Schools are closed when the weather makes it impossible to have reasonable attendance or when the schools or vehicles would not be able to operate safely. The school day is delayed when inclement weather conditions improve by early morning. Inclement weather may include snow, ice, and freezing temperatures. If the school day is delayed, buses will run, and schools will open two hours later than the usual time.

The District announces school closings and delays in a variety of ways:

- **Text messaging (effective February 2019)** – Parents/guardians can receive a text message if schools are closed or delayed by opting into our text messaging service through School Messenger. To opt in, text Y or Yes to 67587. You will receive a text response confirming that you are registered for texting.
- **District website** at [www.horseheadsdistrict.com](http://www.horseheadsdistrict.com)
- **District Facebook pages** (the district and all seven schools have pages)
- **Twitter** - @HhdsSchools
- **Local television and radio stations:**
  - o TV - WENY, WETM, Spectrum Cable News
  - o Radio – WELM 1410AM, WNKI 106.1FM/WPGI 100.9FM, WENY 1230AM/ Magic FM 92.7FM/WGMM 98.7

Note: Television and radio stations also put closing/delay information on their websites.

Please do not call the radio/TV stations or the district's Transportation Office.

#### ***Important notes about school closings/delays:***

- There may be a time when any of these means of communication do not work due to Internet issues, etc., so we ask that you check more than one of our communication methods to determine if school is in regular session or not for that day.
- If schools are closed, they will remain closed all day for scheduled activities, including remedial programs, extra-curricular activities, use of facilities by non-school groups, and evening programs.
- When school is delayed, there is no supervision for students until schools open two hours later than the usual time, so parents should not drop their children off at school until they open. Additionally, on school delays, there is no breakfast served.
- On school delays, Pre-Kindergarten begins at 10:30 am.
- If a storm develops after school begins, usual procedure is NOT to close school early. This allows time for highway crews to plow and sand the roads and has proved to be less disruptive and confusing than attempting to send students home early.
