FBI Resources for Parents and Educators

Thank you to everyone who attended the Digital Dangers presentation. If you were unable to join us, free resources are available for parents and educators to support digital citizenship and online safety at home and in the classroom. You'll also find guidance on how to report any potential online victimization. [2025 FBI Resources.pdf](#)

Make it a great day,

Parent Information

Progress Reports / Report Cards

Parents are informed of student progress in two ways. Progress reports are sent home with students at the five-week point of each marking period. A report card is sent home with students at the end of the ten-week marking period.

Distinguished High Honor Roll	95-100
High Honor Roll	90-94.99
Honor Roll	85-89.99
Failing Grade	64.0 or lower in any course

A failing grade or incomplete in any class eliminates the student from the Honor Roll.

Progress Reports Issued December 10, 2025

Lost and Found

Lost your water bottle? Misplaced your sweat-shirt? Check the Lost and Found! There are blue bins under the table in the Main Office.

Parents, please:

Reinforce the importance of all safety drills with your students. Paying attention and following directions are crucial for everyone's safety. Questions or concerns related to school building safety can be directed to Principal Ron Holloway at 739-6357.

Attendance Auto-call and Email

To keep you updated regarding your child's attendance, the middle school will send you an auto-call and email when your student(s) are absent from school. If a student is absent from first period, a call and email will be generated and delivered in the morning. If the student continues to be absent, another call will be generated and delivered in the evening with all of the periods the student has missed.

PTO is looking for volunteers!

Please consider joining our PTO and help us have an outstanding school year! There will be plenty to do:

- Three school dances
- 8th-grade Celebration
- Refreshments for awards ceremonies
- Have other ideas?

Organizing and funding these events takes time and effort. Your participation is greatly appreciated!

School Nurse Information

7th Grade Physicals Hearing, Vision and Scoliosis Screenings

Please see the important information below regarding the health of your child attending school.

It is often difficult to know when to keep your child home. The following is a list of conditions and symptoms that indicate when you should keep your child home.

They include, but are not limited to:

- **Fever greater than 100.4 F** - Your child may return when their fever has been gone for over 24 hours without medication, and if no other symptoms are present
- **Vomiting/Diarrhea** - Your child may return when symptom free for greater than 24 hours without medication or other symptoms
- **Rash** - Your child may return with a physician's note that it is not contagious
- **Strep Throat** - Your child may return after 24 hours of prescribed treatment
- **Cough/Congestion/Wheezing** - Your child may return when symptoms resolve

As a reminder, frequent hand washing is always our best defense against illness.

Please remember that medication given at school must have a doctor's order. All medications must be delivered to the Nurses' office by a responsible adult, in a pharmacy-labeled container. As always, feel free to contact your school nurse for any questions or concerns.

Thank you for your cooperation,
Mrs. Wright, RN
Horseheads Middle School Nurse

Health Unit Notification

During the last marking period of each semester, seventh grade health classes will be studying the Human Physiology Unit. This is an abstinence-based unit which will include the male and female reproductive systems, conception and birth, the risks of teen pregnancy and sexually transmitted diseases, including HIV/AIDS and HIV/AIDS prevention.

You have the option of exempting your child from the HIV/AIDS prevention information. However, we strongly encourage your child to participate. HIV information must be presented to every child by State mandate. Therefore, it is the parent's responsibility to provide this information which will be included in the Health final. If a student is exempted, he/she is assigned to a study hall and required to do an independent study unit in health.

If you have any questions or would like to discuss your concerns before making your decision, call your child's health teacher during school hours at 739-6357.

RETURN THE FORM BELOW IF **YOU DO NOT WANT YOUR CHILD TO PARTICIPATE IN THE UNIT.**

Return this portion by January 5, 2026 to the Middle School Health Teacher to exempt your child from instruction in the classroom.

(student name) _____

Does not have my permission to participate in the Human Physiology Unit and/or HIV/AIDS prevention.

aimsweb Plus is a reliable computer-based screening assessment, which is administered in the fall, winter and spring. Coming on January 7th and 8th, students will be taking the winter *aimsweb* Plus benchmark assessments in reading and math. *aimsweb* Plus allows us to monitor our students in reading and math and provides us with valuable information we can use to make educational decisions for our students. Results will be shared with parents and students three times per year. Our goal is for each student to demonstrate academic growth from fall to winter and winter to spring. No special preparation for the *aimsweb* Plus testing is required.

If you would like additional information regarding the *aimsweb* Plus assessments, please visit the *aimsweb* Plus website at <http://www.aimswebplus.com/> or call us at 739-6357.

Career Development Council

The school district has many career related events including career days, career panels, job shadows, classroom speakers, field trips, and mock interviews. **We are always looking for volunteers** for these events. We are looking for parents, grandparents, other adult family members and friends as well as community volunteers in every career field.

If you feel your career is not of interest or you are currently at home, you may still contribute through mock interviews and other fun classroom events. We will be doing many of these events on-line, but they are still important experiences for the career development of our students. Most events are only an hour or two on a given day, yet **your experience and career knowledge** can deeply influence a child's life, career goals, and future educational path.

If you are interested in volunteering or learning more about how you can get involved, **please contact Deb Lynch**, the Career Development Representative for the Horseheads School District, or **Jennie Sonsire** at (607)795-5320 or dlynch@gstboces.org or jsonsire@gstboces.org.

Horseheads Central School District

Information about Emergency School Closings/Delays

Schools are closed when the weather makes it impossible to have reasonable attendance or when the schools or vehicles would not be able to operate safely. The school day is delayed when inclement weather conditions improve by early morning. Inclement weather may include snow, ice, and freezing temperatures. If the school day is delayed, buses will run and schools will open two hours later than the usual time.

The district announces school closings and delays in a variety of ways:

- **Text messaging** – Parents/guardians can receive a text message if schools are closed or delayed by opting in to our text messaging service through SchoolMessenger. To opt in, text Y or Yes to 67587. You will receive a text response confirming that you are registered for texting.
- **District website** at www.horseheadsdistrict.com
- **District Facebook pages** (the district and all seven schools have pages)
- **Twitter** - @HhdsSchools
- **Local television and radio stations:**
 - o TV - WENY, WETM, Spectrum Cable News
 - o Radio – WELM 1410AM, WNKI 106.1FM/WPGI 100.9FM, WENY 1230AM/MagicFM 92.7FM/WGMM 98.7

Note: Television and radio stations also put closing/delay information on their websites.

Please do not call the radio/TV stations or the district's Transportation Office.

Important notes about school closings/delays:

- There may be a time when any of these means of communication do not work due to Internet or other issues, so we ask that you check more than one of our communication methods to determine if school is in regular session or not for that day.
- If schools are closed, they will remain closed all day for scheduled activities, including remedial programs, extra-curricular activities, use of facilities by non-school groups, and evening programs.
- When school is delayed, there is no supervision for students until schools open two hours later than the usual time, so parents should not drop their children off at school until they open. Additionally, on school delays, there is no breakfast served.
- On school delays, prekindergarten begins at 10:30am.
- If a storm develops after school begins, usual procedure is NOT to close school early. This allows time for highway crews to plow and sand the roads and has proved to be less disruptive and confusing than attempting to send students home early.

School/District Communication

Our schools publish newsletters monthly or every other month. The district has an annual budget newsletter and other communications shared as needed. These will be sent by email and are available online.

The online district calendar can be found here: <https://www.horseheadsdistrict.com/fullcalendar.cfm>. It is updated regularly. Calendar information is also shared in school and district newsletters.

The Horseheads Central School District partners with

The Trusted Platform
for School Community Engagement

Parents/Guardians:

You can take advantage of our Text Messaging Service

The Horseheads School District uses the SchoolMessenger system to deliver **text messages**, straight to your mobile phone with important information about school closings, safety alerts, and more.*

You can participate in this service* by sending "Y" or "Yes" by text to our school's short code number, **67587**.

You can also opt out of these messages at any time by simply replying to one of our messages with "Stop".

SchoolMessenger is compliant with the [Student Privacy Pledge™](#), so you can rest assured that your information is safe and will never be given or sold to anyone.

**Opt-In from
your mobile
phone now!**

**Just send
"Y" or "Yes"
to 67587**

Information on SMS text messaging and Short Codes:

SMS stands for Short Message Service and is commonly referred to as a "text message". Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as "short code" texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you've ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

*Terms and Conditions – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/txt for more info.

Non-discrimination Policy

District Dignity Act Coordinator

The Dignity Act Coordinator (DAC) for the Horseheads Central School District is Caitlin DeFilippo, director of Human Resources. If there is a complaint regarding discrimination, harassment or bullying of any student, the complaint should be filed with Caitlin DeFilippo, at One Raider Lane, Horseheads, NY 14845; 607-739-5601 x 4211 or at cdefilippo@horseheadsdistrict.com.

Middle School Dignity Act Coordinator
