District Seeks New Image Designs

The Horseheads School District announced last month that they are seeking a new image to represent the Horseheads Blue Raiders. Students, alumni, staff, and community members were welcome to submit a design. The deadline has passed, and the district is now going through the entries.

The district image committee will review and discuss all submissions and forward them to the Board of Education. The Board will conduct a district-wide vote of selected images to determine a final choice. This vote will be open to all community members, all currently enrolled students, and confirmed alumni. The vote will be under the direction of the Horseheads Central School District Clerk and reported to the Board of Education. The Board will act on the vote at its June 2023 meeting. The image would be officially recognized as the new district image for the 2023-24 school year.

If you have any questions or need clarification, please reach out to the image committee chair members, High School Principal Kris Earl or Athletic Director Charles DeTaeye.

NYS Digital Resources Family Questionnaire

Start Date: 10/27/2022 End Date: 11/27/2022

Collecting accurate data regarding digital resource access for our New York students will greatly help educators to better serve their students and families. In order to accomplish this, the New York State Education Department is asking parents or guardians to complete a Digital Equity survey (for each student in the family) in grades Kindergarten - Grade 12. This survey will provide information on student access to devices and internet access in their place of residence. To assist us in this process, please access <https://forms.office.com/r/zmB1NAWB8u> to the best of your ability and follow any additional instructions provided for submitting or returning the survey.

Thank you for your time and cooperation.

NOTE: You must answer at least one question for this survey to be valid.

Alternative Fundraiser

As parents of Middle Schoolers, we are all familiar with the joys of fundraisers - selling door-to-door, hounding the same family and friends year after year, collecting (and keeping track of) money, and delivering the goodies weeks later. The HMS PTO Alternative Fundraiser eliminates all of the headache but still lets you support all of the things we do for our students and faculty!

**Thank you in advance
for your participation!**

☐ I really live for PTO and want to help. Add my name to the volunteer list.

☐ \$10 - I do not want to bake, so here is the money I would have spent on those cupcakes.

☐ \$15 - I do not want to walk, swim or run in any activity that has the word "thon" in it. Here is the money I would have spent on my child's "free" t-shirt.

☐ \$25 - I do not want to hit up friends, family and co-workers, so here is the money I would have spent buying coupon books.

☐ \$50 - I really wouldn't have helped anyway, so here's \$50 to forget my name☺

\$____ I am making this donation to express my appreciation for having nothing to buy (and eat!), sell or do, except fill out this envelope.

HMS PTO Supports:

- ◆ The HMS Rewards Program
- ◆ Art Show Refreshments
- ◆ National Junior Honor Society Induction Ceremony
- ◆ Teacher Appreciation Breakfast
- ◆ 8th Grade Awards Ceremony

Fight Flu

at Home and School

Flu, or influenza, spreads easily and can make people very sick, especially kids. You can help stop flu!

Flu symptoms include:

Fever or chills, body aches, cough, sore throat, headache, runny or stuffy nose, feeling very tired. Some people, especially children, may have stomach problems and diarrhea. Unlike a cold, the flu comes on very suddenly.

Prevent flu!

- Flu vaccine is the best protection against the flu. It is recommended every year for everyone 6 months and older.
- Get the flu vaccine for you and your children every year! It helps make flu sickness milder or prevents it all together.
- Getting the vaccine early in the fall means you and your children will be protected when flu season starts.
- Ask people close to your children, like babysitters and relatives, to get the vaccine, too.
- The vaccine is especially important for people with certain health conditions, like asthma, diabetes, heart or lung conditions because the flu can make them even sicker.

If your child gets the flu:

- Your child will need plenty of rest and lots of fluids.
- Keep your child home from school for at least 24 hours after their fever is gone without using fever-control medicine. This helps avoid giving the flu to others.
- Talk with your child's health care provider before giving a child any over-the-counter medicine.
- Never give your child or teenager aspirin or any medicine that has aspirin in it. Aspirin can cause serious problems.
- If your child gets flu symptoms and is younger than 5 or has a medical condition like asthma, diabetes, or heart or lung disease, call their health care provider. Young children and those with certain medical conditions are at greater risk for getting seriously ill from the flu. Ask their health care provider if they recommend an antiviral drug.
- If you are worried about your child, call their health care provider.

Don't spread flu!

- Wash hands often with soap and water for at least 20 seconds.
- If soap and water aren't handy, use an alcohol-based hand rub.
- Cough or sneeze into a tissue or your elbow, not your hands. Put used tissues in the trash.
- Avoid touching your eyes, nose, and mouth. That's how germs spread.
- Stay away from people who are sick.

Horseheads Central School District

Information about Emergency School Closings/Delays

Schools are closed when the weather makes it impossible to have reasonable attendance or when the schools or vehicles would not be able to operate safely. The school day is delayed when inclement weather conditions improve by early morning. Inclement weather may include snow, ice, and freezing temperatures. If the school day is delayed, buses will run and schools will open two hours later than the usual time.

The district announces school closings and delays in a variety of ways:

- **Text messaging** – Parents/guardians can receive a text message if schools are closed or delayed by opting in to our text messaging service through SchoolMessenger. To opt in, text Y or Yes to 67587. You will receive a text response confirming that you are registered for texting.
- **District website** at www.horseheadsdistrict.com
- **District Facebook pages** (the district and all seven schools have pages)
- **Twitter** - @HhdsSchools
- **Local television and radio stations:**
 - o TV - WENY, WETM, Spectrum Cable News
 - o Radio – WELM 1410AM, WNKI 106.1FM/WPGI 100.9FM, WENY 1230AM/MagicFM 92.7FM/WGMM 98.7

Note: Television and radio stations also put closing/delay information on their websites.

Please do not call the radio/TV stations or the district's Transportation Office.

Important notes about school closings/delays:

- There may be a time when any of these means of communication do not work due to Internet or other issues, so we ask that you check more than one of our communication methods to determine if school is in regular session or not for that day.
- If schools are closed, they will remain closed all day for scheduled activities, including remedial programs, extra-curricular activities, use of facilities by non-school groups, and evening programs.
- When school is delayed, there is no supervision for students until schools open two hours later than the usual time, so parents should not drop their children off at school until they open. Additionally, on school delays, there is no breakfast served.
- On school delays, prekindergarten begins at 10:30am.
- If a storm develops after school begins, usual procedure is NOT to close school early. This allows time for highway crews to plow and sand the roads and has proved to be less disruptive and confusing than attempting to send students home early.

School/District Communication

Our schools publish newsletters monthly or every other month. The district has an annual budget newsletter and other communications shared as needed. These will be sent by email and are available online.

The online district calendar can be found here: <https://www.horseheadsdistrict.com/fullcalendar.cfm>. It is updated regularly. Calendar information is also shared in school and district newsletters.

Parents/Guardians:

You can take advantage of our Text Messaging Service

The Horseheads School District uses the SchoolMessenger system to deliver **text messages**, straight to your mobile phone with important information about school closings, safety alerts, and more.*

You can participate in this service* by sending “Y” or “Yes” by text to our school’s short code number, **67587**.

You can also opt out of these messages at any time by simply replying to one of our messages with “Stop”.

SchoolMessenger is compliant with the [Student Privacy Pledge™](#), so you can rest assured that your information is safe and will never be given or sold to anyone.

Opt-In from
your mobile
phone now!

Just send
“Y” or “Yes”
to 67587

 **Information on SMS text messaging and Short Codes:**

SMS stands for Short Message Service and is commonly referred to as a “text message”. Most cell phones support this type of text messaging. Our notification provider, SchoolMessenger, uses a true SMS protocol developed by the telecommunications industry specifically for mass text messaging, referred to as “short code” texting. This method is fast, secure and highly reliable because it is strictly regulated by the wireless carriers and only allows access to approved providers. If you’ve ever sent a text vote for a TV show to a number like 46999, you have used short code texting.

***Terms and Conditions** – Message frequency varies. Standard message and data rates may apply. Reply HELP for help. Text STOP to cancel. Mobile carriers are not liable for delayed or undelivered messages. See schoolmessenger.com/txt for more info.
