(Laptop or Desktop)

The Horseheads Central School District has adopted Canvas as our Learning Management System (LMS). Canvas allows teachers to provide a personalized learning experience through instructional support, class calendars, messages, notifications, assignments, collaborative activities, and course resources in one platform.

Parents/guardians can set up parent accounts to view assignments, due dates, and other information. However, **if you have a child in grades PK-6, the best way to support your student at home is to have your student log in to Canvas using their student email address and password.**

1. Go to the District Website: horseheadsdistrict.com
2. In Quick Links, click on "Student/Staff Login" under Canvas

3. You will be taken to a Microsoft login screen

Enter your **student email address** (username@hh.gstboces.org)
