Graduation Live Stream Information

The Horseheads High School Graduation Wednesday, June 23 will be live streamed through the following link:

<http://ideas.gstbooces.org/hhds/>

Type or copy and paste the link into an internet browser to stream.

Once at the stream site, click on the play button appearing on the screen. The live stream will begin when the graduation ceremony begins at approximately 6:00 p.m.

If you experience any difficulty with the streaming try the following:

- Refresh the internet browser.
- Select one of the other servers listed under the video window, either Server 2 or Server 3
- Close the internet browser all together and attempt to start it up again.

If you are looking to cast this stream to a TV at home...

here are some articles that may help. Casting to a Smart TV from phone/computer has many variables involved. These articles focus on some of the more popular options.
