

Voluntary COVID vaccination clinics August 2 and 3

Horseheads and neighboring districts are working with the Chemung County Health Department to offer **voluntary COVID vaccination clinics** for anyone age 12 and older. In Horseheads, the clinics are Tuesday, August 2, from 1-3pm, and Wednesday, August 3, from 9-11am, and will be held in the Horseheads Intermediate School Gym.

Please note that the vaccination is not required. The districts are working with the Health Department to assist those who wish to be vaccinated or have their children vaccinated before the start of school in September. Again, the vaccine is not required.

The vaccine offered at these clinics is the Pfizer vaccine. A second dose clinic will be held 21 days after the initial clinics. Note that pre-registration for the clinics is recommended but not required. **Walk-ins will be welcome. Anyone age 12 or older may attend the clinics.**

Monday, August 2, 1-3pm (Second dose August 23)

Pre-register here: https://forms.chemungcountyny.gov/vaccinations/8_2_21_PM/

Tuesday, August 3, 9-11am (Second dose August 24)

Pre-register here: https://forms.chemungcountyny.gov/vaccinations/8_3_21_AM/
