Dear Parents and Guardians:

Capital Project Vote Tuesday, December 7

We wish to remind you of our 'Horseheads 2030: Continuing Our Build' capital project vote Tuesday, December 7, 7 am. to 9 p.m. in the Horseheads High School South Gym. All district residents—including renters, residential property owners, and others—are eligible to vote if they are 18 or older, are a U. S. citizen, have lived in the district at least 30 days prior to the vote, and are not restricted from voting based on election law.

For more information on the project and the vote, please see our website at this link:

If you have questions, please email hcsdinfo@horseheadsdistrict.com.

Digital Equity Survey

If you have not already submitted the digital equity survey, we ask that you go to your Parent Portal account at <https://schooltool.horseheadsdistrict.com/sthhWeb/default.aspx> to complete a survey for each child. The state is requiring districts to survey families about internet access and digital devices at home. One of the reasons the state is seeking this information is for potential assistance to municipalities with internet/broadband access. [Click here](#) for more information and instructions on accessing and completing the survey.

Please note: This is not the same survey we sent earlier this fall. This is part of a New York State requirement.

Health and Safety

As COVID-19 cases continue to rise in our area and state, we ask that you continue to follow safety guidelines. As a reminder, our health and safety protocols are on our website at this link: <https://horseheadsdistrict.com/HCSDealthsafetyguide2021-22.cfm>. Weekly district COVID data can be found here: <https://horseheadsdistrict.com/covidupdate.cfm>

If your child is participating in the Test to Stay option for unvaccinated, symptom free direct contacts, we ask you to note that the testing site is the High School Fieldhouse entering via Thorne Street (not the Middle School Fieldhouse on Sing Sing Road).

If you have questions, please contact your school office. Thank you.

Sincerely,

Dr. Thomas J. Douglas
Superintendent of Schools
