Dear Families and Staff:

As you know, on Sunday, Governor Hochul announced that the state will lift the mask mandate in schools effective tomorrow. After consultation with the Chemung County Health Department, the district will no longer require masks on school buses. Beginning tomorrow, students and staff are no longer required to wear masks in schools or on school buses. All are welcome to do so if they choose, and we ask everyone to respect each other's personal choice.

We will be in contact as we receive further information from the state regarding other safety protocols. Thank you.

Sincerely,

Dr. Thomas J. Douglas
Superintendent of Schools
