

April 6, 2022

Dear Parents and Guardians:

As our Spring Recess approaches, the district would like to thank you for your attentiveness and assistance as we continue to move through the COVID-19 pandemic. We believe we are moving in the right direction, and we ask that you continue to be vigilant.

As we did prior to the February break, the district will be sending test kits home with each student on Friday, April 8, the last day of school before the Spring Recess. Please check your student's backpacks or check with your student for the test kits.

The state encourages families to test their students at the end of the Spring Recess and again during the week they return to school. Testing of students by parents is not mandatory. If you have questions, or you need additional tests, please contact your school office.

Please note that the district is making a change to this year's school calendar. As long as there is no school closing due to weather or other reason between now and Memorial Day, there will be no school Tuesday, May 31.

On behalf of the district and the Board of Education, I wish you and your family a joyful, positive Spring Recess. Thank you.

Sincerely,

Dr. Thomas J. Douglas
Superintendent of Schools
