Dear Parents and Students,

Welcome to the Ridge Road Elementary School Community!

The goal of the Ridge Road Staff is to provide high quality instruction in an extremely warm and supportive environment for learning. Ridge Road Elementary School is comprised of terrific students, supportive parents and dedicated staff members. It is important that every child who attends our school enjoys his/her educational experience and feels safe, respected and valued as an individual. We want every child to be able to reach his/her greatest academic and social emotional potential. A close partnership and open communication between home and school will help us reach this goal.

This student handbook is intended to give each family an overview of the procedures and rules that are to be followed whenever on school grounds or on a school sponsored trip. Please take a few minutes to review the information in this handbook and discuss the rules and behavior expectations with your child.

When you have finished, please sign and return the tear-out page at the end of the booklet to your child’s teacher.

If you have any questions, please don’t hesitate to call the school office at 739-6351 or email ambailey@horseheadsdistrict.com.

Sincerely,

Anne-Marie Manikowski-Bailey
Ridge Road Elementary Principal

ARRIVAL

Students who walk to school or are dropped off by a parent or guardian should plan their arrival time between 8:00 a.m. and 8:10 a.m. Students that arrive prior to the official start time of 8:00 may wait in the cafeteria. However, **no students should be arriving at Ridge Road prior to 7:40 a.m.** Please check that your child is not arriving to school early. We do not have any staff on duty for supervision and doors will not be open prior to 7:40 a.m. Students have from 8:00 – 8:15 a.m. for homeroom time.

Arrival/Homeroom	Tardy Bell
8:00 a.m. – 8:10 a.m.	8:15 a.m.
Early Arrivals (Students must wait in the cafeteria	
7:40 a.m. until the 8:00 a.m. Homeroom bell)	

Front Circle – Bus Drop-Off Only

The front traffic circle is for the school busses to use for dropping off students in the morning and picking them up for dismissal. The front circle will be closed to all other vehicles from 7:00 a.m. – 4:00 p.m. each school day. **No one should park in the front circle**, not even for a quick run into the school during school hours. If you wish to bring your child to school or escort your child into the building, please use the back parking lot. This will ensure the safety of all other children arriving at school.

Parking – Student Drop-Off

When visiting the school, please park in the designated area in the back parking lot. Parents who are walking their children into school should park in the middle of the back lot and escort their children into the building. No child should ever be allowed to walk through the parking lot alone. If you are just dropping your child off in the morning, please drive up the right lane next to the school and let your child out from the passenger side of the vehicle next to the back entrance steps. **The drop-off lane should be a single lane only next to the sidewalk, so students are not walking through traffic.**

DISMISSAL OF STUDENTS

The Ridge Road students are dismissed at 2:25 p.m. In order to ensure the safety of our children the following procedures must be followed:

Dismissal Plans: Parents must supply the school office with written notification of their child’s regular dismissal plans by the first day of school.

Walkers: Children who walk home must have a note to inform the teacher. If your child is to walk home on a daily basis, please send one note at the beginning of the year indicating this plan. If your child will walk home only on special occasions, you will need to send a note each time. (For safety we would prefer that children are picked up or ride the school bus daily.

Parent Pick-ups: Children who will be picked up on a daily basis must have a note from parents at the beginning of the school year indicating this plan. Any student that will be picked up from school on special occasions, or early for an appointment, must have a note for each time.

Also, any parent or guardian picking up a child from school at the end of the day must come into the cafeteria to sign-out the child. Students will not be sent outside to meet a parent nor will they be released directly from the classroom, teacher, or lobby area. Thanks for your cooperation in keeping our students safe.

2:25-2:35- Pick-up for K- 4th. For all K-4th grade students not riding home on the school bus, we will have parents park in the back parking lot and come to one of the doors to sign out their child for parent pick-up. If your child's last name starts with the letters A-M, you will come to the main lobby door (door 1) to sign your child out. If your child's last name starts with N-Z, you will come to the back cafeteria door (door 2) to sign your child out of school. If you are a day care provider and picking up multiple children at dismissal, please call our office so we can get your students all set for one door for dismissal.

After School Kids World or Broad Street YMCA: Children attending the Kids World Program at Ridge Road or riding the bus to the YMCA Program at Broad Street School, must have a dismissal note on file in the school office from their parent/guardian by the start of school.

PARENTS/VISITORS IN SCHOOL

Building Doors will be Locked

As part of the District-wide security system and our emphasis on safety, the building doors will be locked during the day. Both of the main lobby entrance doors have a **white box**. Please push the button, wait for a response and you will be buzzed into the building. We may ask you to look toward the camera or identify yourself by speaking into the white box. Once you enter the building, please report directly to the office to sign in and pick up a visitor's badge.

Thanks in advance for your help and support with keeping safety a priority.

Visitors

To ensure our students' safety and to reduce interruptions to academic time, we ask that all visitors and volunteers report to the office and sign in prior to going anywhere in the building. We are requesting that all visitors and volunteers wear our identification badge that can be picked up when they sign in at the office. Please note that visitors to the building must sign in and pick up a badge in the office even when quickly walking their child to the classroom during morning homeroom time. Thanks for your support with our strict security policy.

Please note that we request that visitors do not interrupt instruction time and the office staff will not send a visitor down to the classrooms or call the rooms after the homeroom bell (8:15 a.m.) has sounded unless it is an emergency situation or the visit has already been scheduled with the classroom teacher.

DRESS CODE

Students need to be dressed appropriately for school on a daily basis. Clothing or fashion trends that interfere with the instructional focus will not be allowed at Ridge Road. Please make sure students have sneakers for playground and gym. Also, outside recess is part of the elementary curriculum and students need to be prepared with coats, hats, gloves, etc. to go outside even in colder weather.

The Horseheads Central School Code of Conduct and Dress Code states that “a student’s makeup, nails, hair, jewelry, and clothing must be safe, and **not disrupt or interfere with the educational process**”.

1. Hair color (ex. blue, pink, purple) or styled (spiked or Mohawk) although fun, often brings significant attention to your child which they may or may not be able to handle (this includes their classmates as well). These situations often disrupt or interfere with the elementary level educational process, both academically and socially.
2. Tube tops, net tops, halter tops, spaghetti straps, plunging necklines (front and/or back), midriff baring or see-through garments are not appropriate.
3. Undergarments must be completely covered by clothing.
4. Footwear must not be a safety hazard. This is especially important at this age level. Flip flops are not allowed. Students must have sneakers for gym and recess daily.
5. No head covering should be worn, except for medical or religious reasons. Hats may be worn for outside recess only and must be removed upon entering the building.
6. All clothing should have appropriate language and graphics and not endorse the use of alcohol, tobacco, illegal drugs, or other illegal or violent activities.

If a student is in violation of the dress code, parents will be notified and asked to either pick up the student to rectify the situation, or may be asked to bring in appropriate attire.

ABSENCES FROM SCHOOL Homework for a Sick Child

If you wish to have homework for your child, please call the school office and request the homework prior to noon. We will request that the teacher send the work to the office at dismissal time. You may have someone pick it up at dismissal or after school.

Vacations during the School Year

Absences due to vacation trips are not considered excused absences from school. If at all possible, we request that you try to schedule your family vacations during a time that school is not in session. Knowing that sometimes it is unavoidable to travel only when school is not in session, we ask that you notify the school office and your child’s teacher if your child will be missing school for any extended amount of time for vacation.

The child will be given support and an appropriate amount of time to complete any missed class assignments or homework upon his/her return to school. Homework will not be given to students prior to leaving for vacations. However, we encourage you to have your child read and write in a journal during his/her absence from school.

Birthday Party Invitations

We respectfully request that birthday invitations not be handed out in school. Unless your child is inviting the entire class, invitations should not be handed out in school.

Student Address Book

Every year our PTO publishes a student address book that parents can use for setting-up play dates and mailing invitations for birthday parties. Please note that in order for your child to be included in this Student Address Book, you must fill out and return the permission form. School officials are not allowed to give out addresses or phone numbers of students to other adults. Only the PTO room parent assigned to each homeroom by the classroom teacher is given a list of phone numbers to call parents on behalf of that classroom teacher concerning parties and celebrations.

Toys in School

Please note that items such as toys, trading cards, cell phones, electronic toys, and iPods are not allowed in the cafeteria or at school. We ask that children save these items for home use.

Lost and Found

The lost and found box is located in the main lobby area near the doors that go to the front bus circle. We often get a very large amount of clothing, shoes and other items in the lost and found. Please have your child check the box for items that may belong to him/her.

Pets in School

Through the school year we may have presentations and activities that involve pets. This is often a very exciting and enjoyable experience for the students. However, we do realize that some students have allergies or fear of pets. If your child has a specific pet allergy, you have any concerns about pets that you would like to discuss or, if you wish your child not participate in any activity involving pets, please notify the school office in writing or at 739-6351 by the end of the second week of school.

CAFETERIA INFORMATION

Students in grades PK-8 will receive one **free lunch**. This includes the entree, three fruits or vegetables, and a milk. Juice counts as a fruit choice. They will pay for any ala carte items, a second entrée, or a second meal. They will also be able to get one **free** complete breakfast meal, paying for any ala carte items. Use quick and easy payment options to pay for lunch and/or breakfast more easily. You may set up an account with PaySchools (which you may access from www.horseheadsdistrict.com) and pay online or send an envelope with your child's name and prepay in any amount you wish. The money will be put on your child's account.

Joining Your Child for Lunch

Because of new overall health and safety protocols being established, our school cafeteria will not be open to any outside individuals joining our students for lunch.

CAFETERIA RULES

Cafeteria Behavioral Consequences

2. Continuing Problem: The student will be asked to sit in a different area of the cafeteria. If the student does not begin to exhibit proper behavior he/she will be sent to the office to conference with the principal. At this level the student could possibly lose the privilege of eating with his/her classmates and parents may be notified of behaviors.

Playground Rules

1. To make the playground fun and safe for everyone, the following behaviors are not allowed:

- Doubling on swings
- Shortening the chains on the swings
- Standing on or jumping off the swings

11. Students will respond immediately to a teacher's signal.

12. Students should wear appropriate sneakers for recess and gym. Students may wear dress shoes and sandals with heel straps to school; however sneakers are still needed for gym and playground. Flip-flops are not permitted in school for safety reasons.

11. Students will sign in and out when leaving classroom to go to the restroom.
12. Students will not bring items that could be used as weapons to school.
13. Students must wear appropriate shoes/sneakers for playground and Physical Education classes.

DISCIPLINE

By nature, elementary students are adventurous, spontaneous, and tireless. These characteristics can lead to behavior problems in the confines of a classroom. By providing expectations and consequences to our elementary students, we teach them three important concepts:

1. Certain behaviors are desirable and should be repeated.
2. Other behaviors are undesirable and should be avoided.
3. We make our own choices and are responsible for our actions.

We try to emphasize the positive behaviors students' demonstrate and teach our students to accept responsibility for an inappropriate behavior. It is essential that students know what behavior is expected and what the consequences are if they choose to behave inappropriately.

CONSEQUENCES

For behavior that is found to be in violation of the rules, one or more of the following age appropriate options will be enforced:

- Discussions and Warning
- Denial of Privileges
- Contact Parents
- Visit to the Principal's office
- Assignment to the quiet room at recess
- Conference with appropriate parties
- Clean, repair, or pay for damages or loss
- In-school detention
- In-school or out-of-school suspension

Think Sheet

When there is a discipline issue, Mrs. Bailey often has students complete a "Think Sheet" as a learning tool. The purpose of a "Think Sheet" is to revisit what the student did wrong, but more importantly what the student could do better next time should the same situation arise. Students will be asked to take the "Think Sheet" home to have their parent sign and return to the Principal the next day.

CONCERTS/ASSEMBLIES

1. All classes will enter the concert/assembly quietly and in an orderly manner. Students should be ready to listen.
2. Students will remain quiet and use good listening habits during the concert/assembly.
3. Students will stay in their seats unless there is an emergency.
4. Once the song or performance has been announced, the students will remain silent and watch the program.
5. Clapping will be the form of appreciation shown to the Performers by the audience members. Shouting and whistling will not be allowed.

Homework

Ridge Road Elementary believes homework extends learning, can be a review of skills, and may include written and/or non-written work. The homework assigned for grades 1-4 should take no more than 10 minutes per grade level. For example: first grade should be 10 minutes, second grade should be 20 minutes, etc. each night. Parents/guardians should check for homework completion and sign the **Red** homework folder.

Grade Level Daily Reading Expectations

In addition to homework, students have daily reading expectations.

Kindergarten Students –Book in the Bag nightly reading

First Grade Students – 10 minutes nightly

Second Grade Students – 10 minutes nightly

Third Grade Students – 15 minutes nightly

Supporting Your Child's Academic Success

Parents – please check and sign your child(ren)'s **red** homework folder daily.

- Discuss the work your child brings home

- Set aside a daily homework time and routine with your child. Stick to your agreed schedule and be consistent.
- Set up a quiet area with necessary supplies for their homework area.

Medication

A provider order is required for the nurse to administer any medications at school. This is necessary for both prescription and nonprescription (over the counter) medications. Over the counter medications include medication such as Tylenol, Ibuprofen, cough drops, cold medications, essential oils etc. If your child requires medication during the school day we require:

1. A provider order that is also signed by the parent/guardian.
2. The parent/guardian is responsible to have the medication delivered directly to the school nurse by an adult. **Medication cannot be sent in with children.**
3. Medication must be in a properly labeled original pharmacy container. Over the counter medications must be in their original packaging and match the provider order.

*For students to independently carry/administer medication they require healthcare provider order authorizing them to self-carry and self-administer their medications and written parent/guardian consent Medication orders must be renewed annually. At the end of the year medications at school must be picked up by an adult or they will be disposed of after the last day of school.

Immunizations

New York State Public Health Law 2164 requires every student entering or attending school in New York State to be vaccinated in accordance with Advisory Committee on Immunization Practices (ACIP) recommendations. Public Health Law Section 2164 provides only for medical exemptions to immunization. Acceptable forms of proof of immunization (documentation) include:

An electronic health record from your providers office, an immunization certificate signed of stamped by your health care provider, a record issued by NYSIIS or CIR, an official immunization registry from another state or foreign country if applicable.

You will be notified if your student is missing any immunizations. Your student will not be allowed to attend school per NYS law if proof of immunization is not received.

Physicals

New York State requires that all students must have a physical exam when they enter grades pre-kindergarten/kindergarten, 1, 3, 5, 7, 9, 11. Physicals are also required for all athletes, working papers, and new students entering the district. Physicals must be done by a New York state provider and documented on the required New York state health examination form.

Physicals completed within the 12-month period preceding the start of the school year are acceptable. The physical must be submitted within 30 days of your student entering school. If we do not receive the physical, they will be scheduled for a school appraisal by the district nurse practitioner.

Please note: An appraisal is not the same as a full physical by your private physician. School appraisals are intended for school attendance only and are not intended to replace the continuity of care provided by your private physician. School appraisals do not provide service orders (OT, PT, speech, etc) or medication orders.

The state requires all schools to request dental health certificates from parents at the same time we require a health certificate (grades Pre-K, K, 1, 3, 5, 7, 9 and 11). For more information, contact your school nurse.

Screenings

All students are screened according to state mandates. If the results of any screening indicate that the child requires further follow-up, the parent/guardian will receive written notification to follow up with an outside provider:

- Vision in grades Pre-K or K, 1, 3, 5, 7, 11, and new students
- Hearing in grades Pre-K or K, 1, 3, 5, 7, 11, and new students
- Scoliosis: Girls - grades 5, 7; Boys - grade 9
