BUDGET EDITION

Estimated full-value tax rate increase is 0.02%-2.09%

Vote by absentee ballot

Dear Community Members:

Due to the COVID-19 pandemic and stay-at-home order, Governor Andrew Cuomo has ordered that all districts in the state conduct budget votes by absentee ballot only.

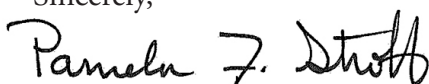

The pandemic has affected the state and national economies, as well as our own, so this budget was developed with that in mind. The district has worked very hard in a short amount of time to arrive at a proposed budget that maintains current educational programs and activities and meets operational costs and contractual obligations. This budget keeps us in a sound financial position as we face potential cuts in aid from the state due to the effect of the pandemic on the economy. This budget includes a minimal 2.78% increase in spending and an estimated full-value tax rate increase of 0.02%-2.09%, or between **\$0 to \$38 per \$100,000 home value** based on current assessments. The district will receive final assessments and state equalization rates in late summer.

The district is working hard to help our community during this very challenging time. Our students, teachers, staff, and parents have had to rapidly shift to a format of learning that has never been tested on such a large scale. Our district is supporting those in our community who need assistance with technology, food, and other needs. I am grateful to everyone as we work together to weather these unprecedented challenges.

On behalf of the entire Board of Education and district, I ask that you please vote. My fellow Board of Education members and I wish to thank you for your support and dedication to our children and our Horseheads community, and we wish you good health and safety.

If you have any questions about the proposed budget and/or the budget vote on June 9, please contact hcsdinfo@horseheadsdistrict.com or (607) 739-5601, x4260.

Sincerely,

Pamela F. Strollo, Board of Education President

Expenditures - Program

This component of the budget includes all expenditures necessary for the instruction and transportation of our students, including salaries for teachers, teaching assistants, school counselors, school nurses, social workers, school psychologists, drivers, and any other positions involved in the teaching and transporting of students. The Benefits line is a pro-rated calculation of this component's share of costs as required by the state for self-insured health/dental claims, district retirement contributions, workers' compensation and disability insurance, and social security. The component also includes materials, supplies, and contractual items such as conferences, repairs, service contracts, and other costs associated with that area.

Program expenditures make up 72% of the budget.

Revenues

Property Tax

The 2020-21 budget meets the state's property levy limit law, resulting in a 4.98% increase in the tax levy, which refers to the total amount collected in school taxes across the district. This is not the same as the tax rate, which indicates a property owner's share of taxes based on his/her property's assessment.

The Horseheads Central School District serves all or part of seven municipalities: Horseheads, Big Flats, Catlin, Erin, Veteran, Cayuta, and Baldwin. Each municipality assesses its properties separately and submits final assessments in late summer.

State law requires that all property within a municipality be assessed at a uniform percentage of market value. In the summer, the state sets equalization rates,

which are meant to equalize the assessments from one municipality to the other.

The district's current full value tax rate is \$18.04 per \$1,000 of assessment. Because assessments and equalization rates are finalized after the budget process, the district must estimate the effect on full value tax rate.

For 2020-21, the full value tax rate is conservatively estimated to increase a range of 0.02% to 2.09%, or \$0.00 to \$0.38 per \$1,000 of assessed value. On a home with a full-value assessment of \$100,000, the projected increase is \$0 - \$38.

The district calculates the tax rate in August upon receipt of final assessments and equalization rates.

State Education Aid

The state budget for fiscal year 2020-21 includes a **2.29% decrease in total state aid** to the district.

Other Revenue Sources

The district plans to use \$2 million of fund balance and \$600,200 from appropriated reserves in this budget. Additionally, the district will use \$630,000 from the Debt Service Reserve to reduce the maximum allowable tax levy from 6.76% to 4.98%.

Other revenue of \$2.8 million includes interest, admissions, rental income, donations and gifts, and stop-loss insurance payments.

Proposition 2: Purchase of Buses

Each year, voters are asked to vote on the purchase of buses. This allows the district to borrow funds to replace buses that are ten years old or older and have 100,000 miles or more. This replacement process meets New York State Education Department recommendations for maintenance and replacement of a bus fleet.

For 2020-21, the district seeks the purchase of six full-size school buses and two wheelchair-accessible buses at a cost not to exceed \$1,300,000.

The district would finance the purchase through a five-year bond, with a substantial portion of the payment covered primarily by state aid for the five years following the purchase.

Currently, the district has 75 buses and nine other transportation vehicles. Maintaining a replacement schedule allows the district to keep its bus fleet in good working order, minimizing maintenance needs. The district's Transportation Department has a passing rate for bus inspections of just under 99% as a result of the regular care they take in maintaining buses while minimizing costs.

Board of Education Election

Voters will elect four residents to the Board of Education. The top three vote-getters will earn three-year terms, and the fourth will fill a one-year unexpired term, open due to the recent resignation of Tyler Pribulick. The governor's Executive Order states that candidates will be listed on the ballot in alphabetical order:

Tom Casey
Warren Conklin
Brian Lynch
Najeeb Rehman

To vote, contact the district at (607) 739-5601 x4260 or hcsdinfo@horseheadsdistrict.com. Ballots will be mailed to those who voted in 2019, as well as voters on the permanently disabled list. All other qualified voters may contact the district for the absentee ballot procedure at least seven days prior to the vote if it is to be mailed (by June 2) or the day before the vote if in person (June 8). Please return completed ballot in provided postage-paid envelope to 143 Hibbard Road, Horseheads. Completed ballots must be received by the district by 5pm on June 9.
